# Flower Power

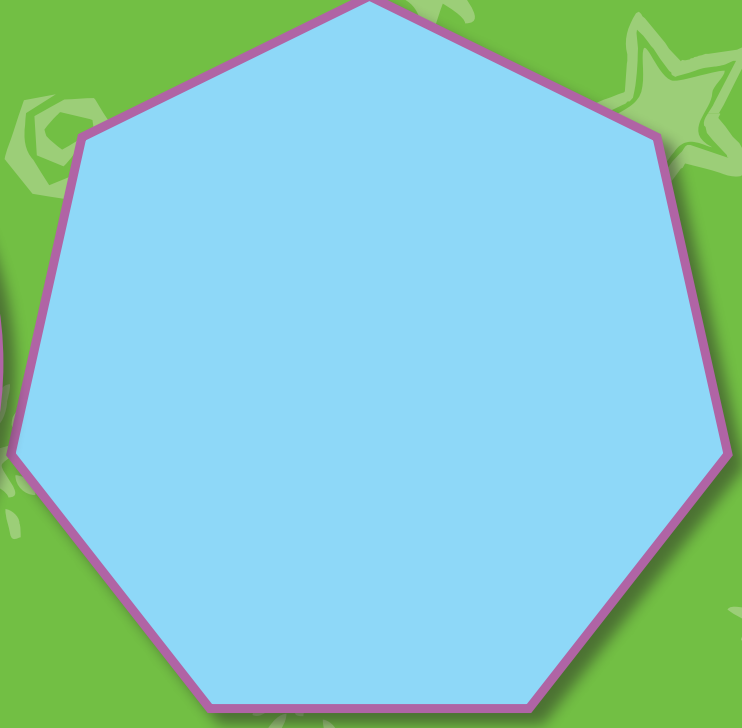

- Choose a word family.
- Print the word family rime inside the circle
- Add an onset to the rime to make real words.
- Write the real word in a petal to create a Word Family Flower.
- Read the flower.

# Word Family Sort

1. Sort the words by family.
2. Put all the words in one family in one shape.
3. Put the words of the other family in the other shape.

Choose two words from each group. Write a sentence for each word.

1.
