

# Character Development

The narrator — Scout — grows and learns a lot over the course of the novel. For example, she struggles with her role as a tomboy and how — as an adult — she will fit into the expected role of a Southern lady. Describe some of the major events and instances that cause her to change, and how they make her change.

Event	Outcome

# Sub-Plot Map

The relationship between Boo and the children changes throughout the novel. Use the following chart to describe the main events of this sub-plot and the change in the relationship. You will have to fill in one of each chart for each significant event between Boo and the children. Complete each section with sufficient details.
