In their friendship, Freak is considered to represent smarts and Max shows strength. We learn that both boys share qualities of brains and body as they grow together. In the diagram, list traits of Freak on the head, Max on the arms and legs, and things they have in common in the heart.

# Foreshadowing: Crystal Ball

Foreshadowing is when the writing hints at what is to come. Find something from the novel that hints at something else that will happen. It could be a chapter title, something someone says, or something that happens. Write this down in the stand of the crystal ball below. Then, draw a picture of what comes to pass based on what was hinted. Do this in the crystal ball.

# Character Analysis: Coat of Arms

Freak and Max were interested in King Arthur and his knights. Knights often carried a shield with their coat of arms on it. A coat of arms is a collection of different symbols about that person. For example, a lion might be courage or swords may mean bravery. Design a coat of arms for the character Freak the Mighty. Use pictures that represent their personality. Or, pick any character from the novel and design a coat of arms for them.
