

# Always, Sometimes, Never

**Always** means it happens all the time. **Sometimes** means it happens often. **Never** means it does not happen.

In the chart below, make a list of items you will always see in school in the first column. List the items you will sometimes see in school in the second column. List the items you will never see in school in the third column.

Always	Sometimes	Never

# Class Survey

Survey the class and tally up how many people put each topping listed in the chart below on their hamburger. Color in the chart with how many people liked each topping.

1. How many people like vegetables on their hamburger? \_\_\_\_\_
2. How many people like cheese on their hamburger? \_\_\_\_\_
3. How many people like mustard and ketchup? \_\_\_\_\_
