Watershed Runoff

Plastics Recycling Numbers

Polyvinyl Chloride

(1% of product recycled)
Detergent bottles, Binders, cling film, clear food packaging, vinyl siding, wire sheathing drainage and irrigation pipes.

Polystyrene

(1% of product recycled) Yogurt cups, foam meat or fish trays, hamburger boxes and egg cartons, vending cups, plastic cutlery.

High-density Polyethylene

(47% of product recycled)
Milk cartons, shampoo bottles, trash bags, motor oil bottles, yogurt containers, cereal box liners.

Polypropylene

(1% of products recycled)
Ketchup bottles, straws, medicine bottles, margarine tubs, microwavable meal trays.

Polyethylene Terephthalate

(48% of products recycled)
Soft drink & water bottles, salad dressing bottles and oven-ready meal trays.

Low density Polyethylene

(1% of product recycled)
Bread bags, frozen food bags, dry cleaning bags, carpet, and bin liners.
