

Sight Word Lost and Found

Instructions

Close X

Find the hidden words in the puzzle by connecting letters that are touching to form a word.

First choose one of the four (4) provided puzzles.
Each puzzle contains six (6) hidden words.

Hidden words are provided in a list. Create a word by touching a letter than touching the next letter in that word.

Words can only form when the letters are touching each other in the puzzle either from the side, top, or diagonal.

When the hidden word is found, it will be crossed off the list.

Press the "Reset" button to try the puzzle again.
