

# Storyboard - Sight Words

## Sight Word Pictures

### Instructions

Close X

Ten (10) pictures representing  
Sight Words are provided.  
Only eight (8) are used in the story.

Complete the story by dragging the first four  
(4) Sight Word Pictures to the storyboard.

Then, touch "**(continue)**" to drag the last  
four (4) Sight Word Pictures to the  
storyboard.

(picture) friends at the park.

## Sight Word Pictures

**On** the weekend I **went** to the

store with my mom. The store didn't

(picture) until nine o'clock, so we had a

cookie first. Then we went to meet our

(picture) friends at the park.
