## Types of Nonfiction Books

1. **Information Books** — books that provide useful or

# Autobiography

I was born in a small town.

When I was just a baby, I would sleep

and crawl. When I was a bit older, I

liked to play in the park. My

parents bought me a dog, which

was very large. On my first day of

school, I made a new friend who was

pretty and nice. I used to

(verb) with my friends every day at

recess. On the weekends, I liked to

spend my time at the (noun).
