## Nouns

### Instructions

Close X

**An autobiography is when the author or writer writes about his or her own life.**

As a class or individually, complete the autobiography as it applies to your life using the provided words.

Drag the words back to their word list to switch up your story.

Touch the reset button to start over.

**Note:** The words in the "Nouns" list can only be placed in the spaces marked with a "(nouns)" icon, and so on.

# Autobiography

I was born in a small town.

When I was just a baby, I would crawl

and sleep. When I was a bit older, I

liked to run in the park. My

parents bought me a dog, which

was very large. On my first day of

school, I made a new friend who was

(adjective) and (adjective). I used to

(verb) with my friends every day at

recess. On the weekends, I liked to

spend my time at the (noun).
