California Movie Studios

Hollywood is home to many of the biggest and most famous movie studios today, like Paramount Pictures, Universal Studios, Disney and Dreamworks.

Paramount Pictures is the oldest movie studio in Hollywood. Starting in 1913, Paramount has made movies like **Indiana Jones**, **Tomb Raider**, and **Titanic**. In 2005, Paramount bought Dreamworks, making movies like **Transformers** and **Shrek the Third**. Starting in 1994, Dreamworks has brought us **Shrek** and **Madagascar**.

Universal Studios is the studio that the stars want to work with. Starting in 1912, Universal has made the movies **E.T.**, **Jurassic Park** and **Back to the Future**. Their recent movies are some of the best I have ever seen.

Most famous for making animated movies, Disney started with **Snow White and the Seven Dwarfs** in 1937. Partnering with Pixar was the smartest move Disney ever made.
