Critical Thinking Questions

The mysterious Bermuda Triangle has done it again. **Flight 817**, flying from New York to Puerto Rico **last Friday**, **vanished** while flying over the

Bermuda Triangle. The plane showed no signs of distress when it disappeared from radar. Popular beliefs place blame on **extraterrestrial activity**.

Critical Thinking Questions

The mysterious Bermuda Triangle. The plane of distress when
Triangle has **WELL DONE!** from radar.
Flight 817, flying from Puerto Rico, **vanished** while flying over the **extraterrestrial activity**.

Getting the Facts

Flight 817
vanished

Bermuda Triangle
last Friday

extraterrestrial activity

Evaluating the Facts

It can be proven that Flight 817 vanished off radar. There is no proof that extraterrestrials are to blame. Did Flight 817 arrive at its destination?

Drawing a Conclusion

Reset

Evaluating a Conclusion

Since there is no evidence to support extraterrestrial involvement, and Flight 817 showed no signs of trouble; there must have been problems with the technology.
