Francis has 8 comic books. 7 are Superman comics. How do you write the fraction to show how many are NOT Superman comics?

(touch the image to enlarge)

8 total comic books –
7 Superman comic books = 1
1 comic book is NOT a Superman comic
out of 8 total comic books.   = 1/8

1 2 3 4 5 6 7 8 9 0
