

Well Done!
Costs \$3.50 but then decides to

add a few items:

- onions and relish \$0.25
- mushrooms and olives \$0.35
- hot peppers \$0.10

(touch the image to enlarge)

What is the total cost of his chilidog?

✓ \$ **4.20**

$$\$3.50 + \$0.25 + \$0.35 + \$0.10 = \$4.20$$
