Explore Online:

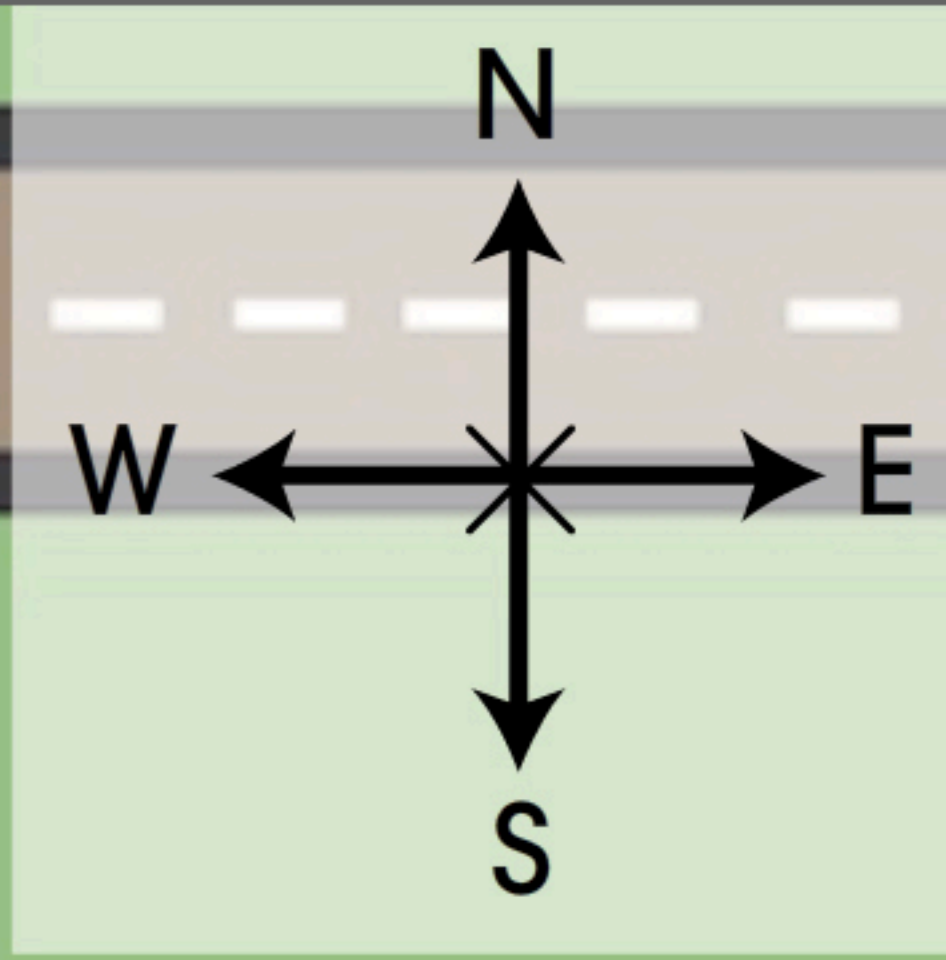

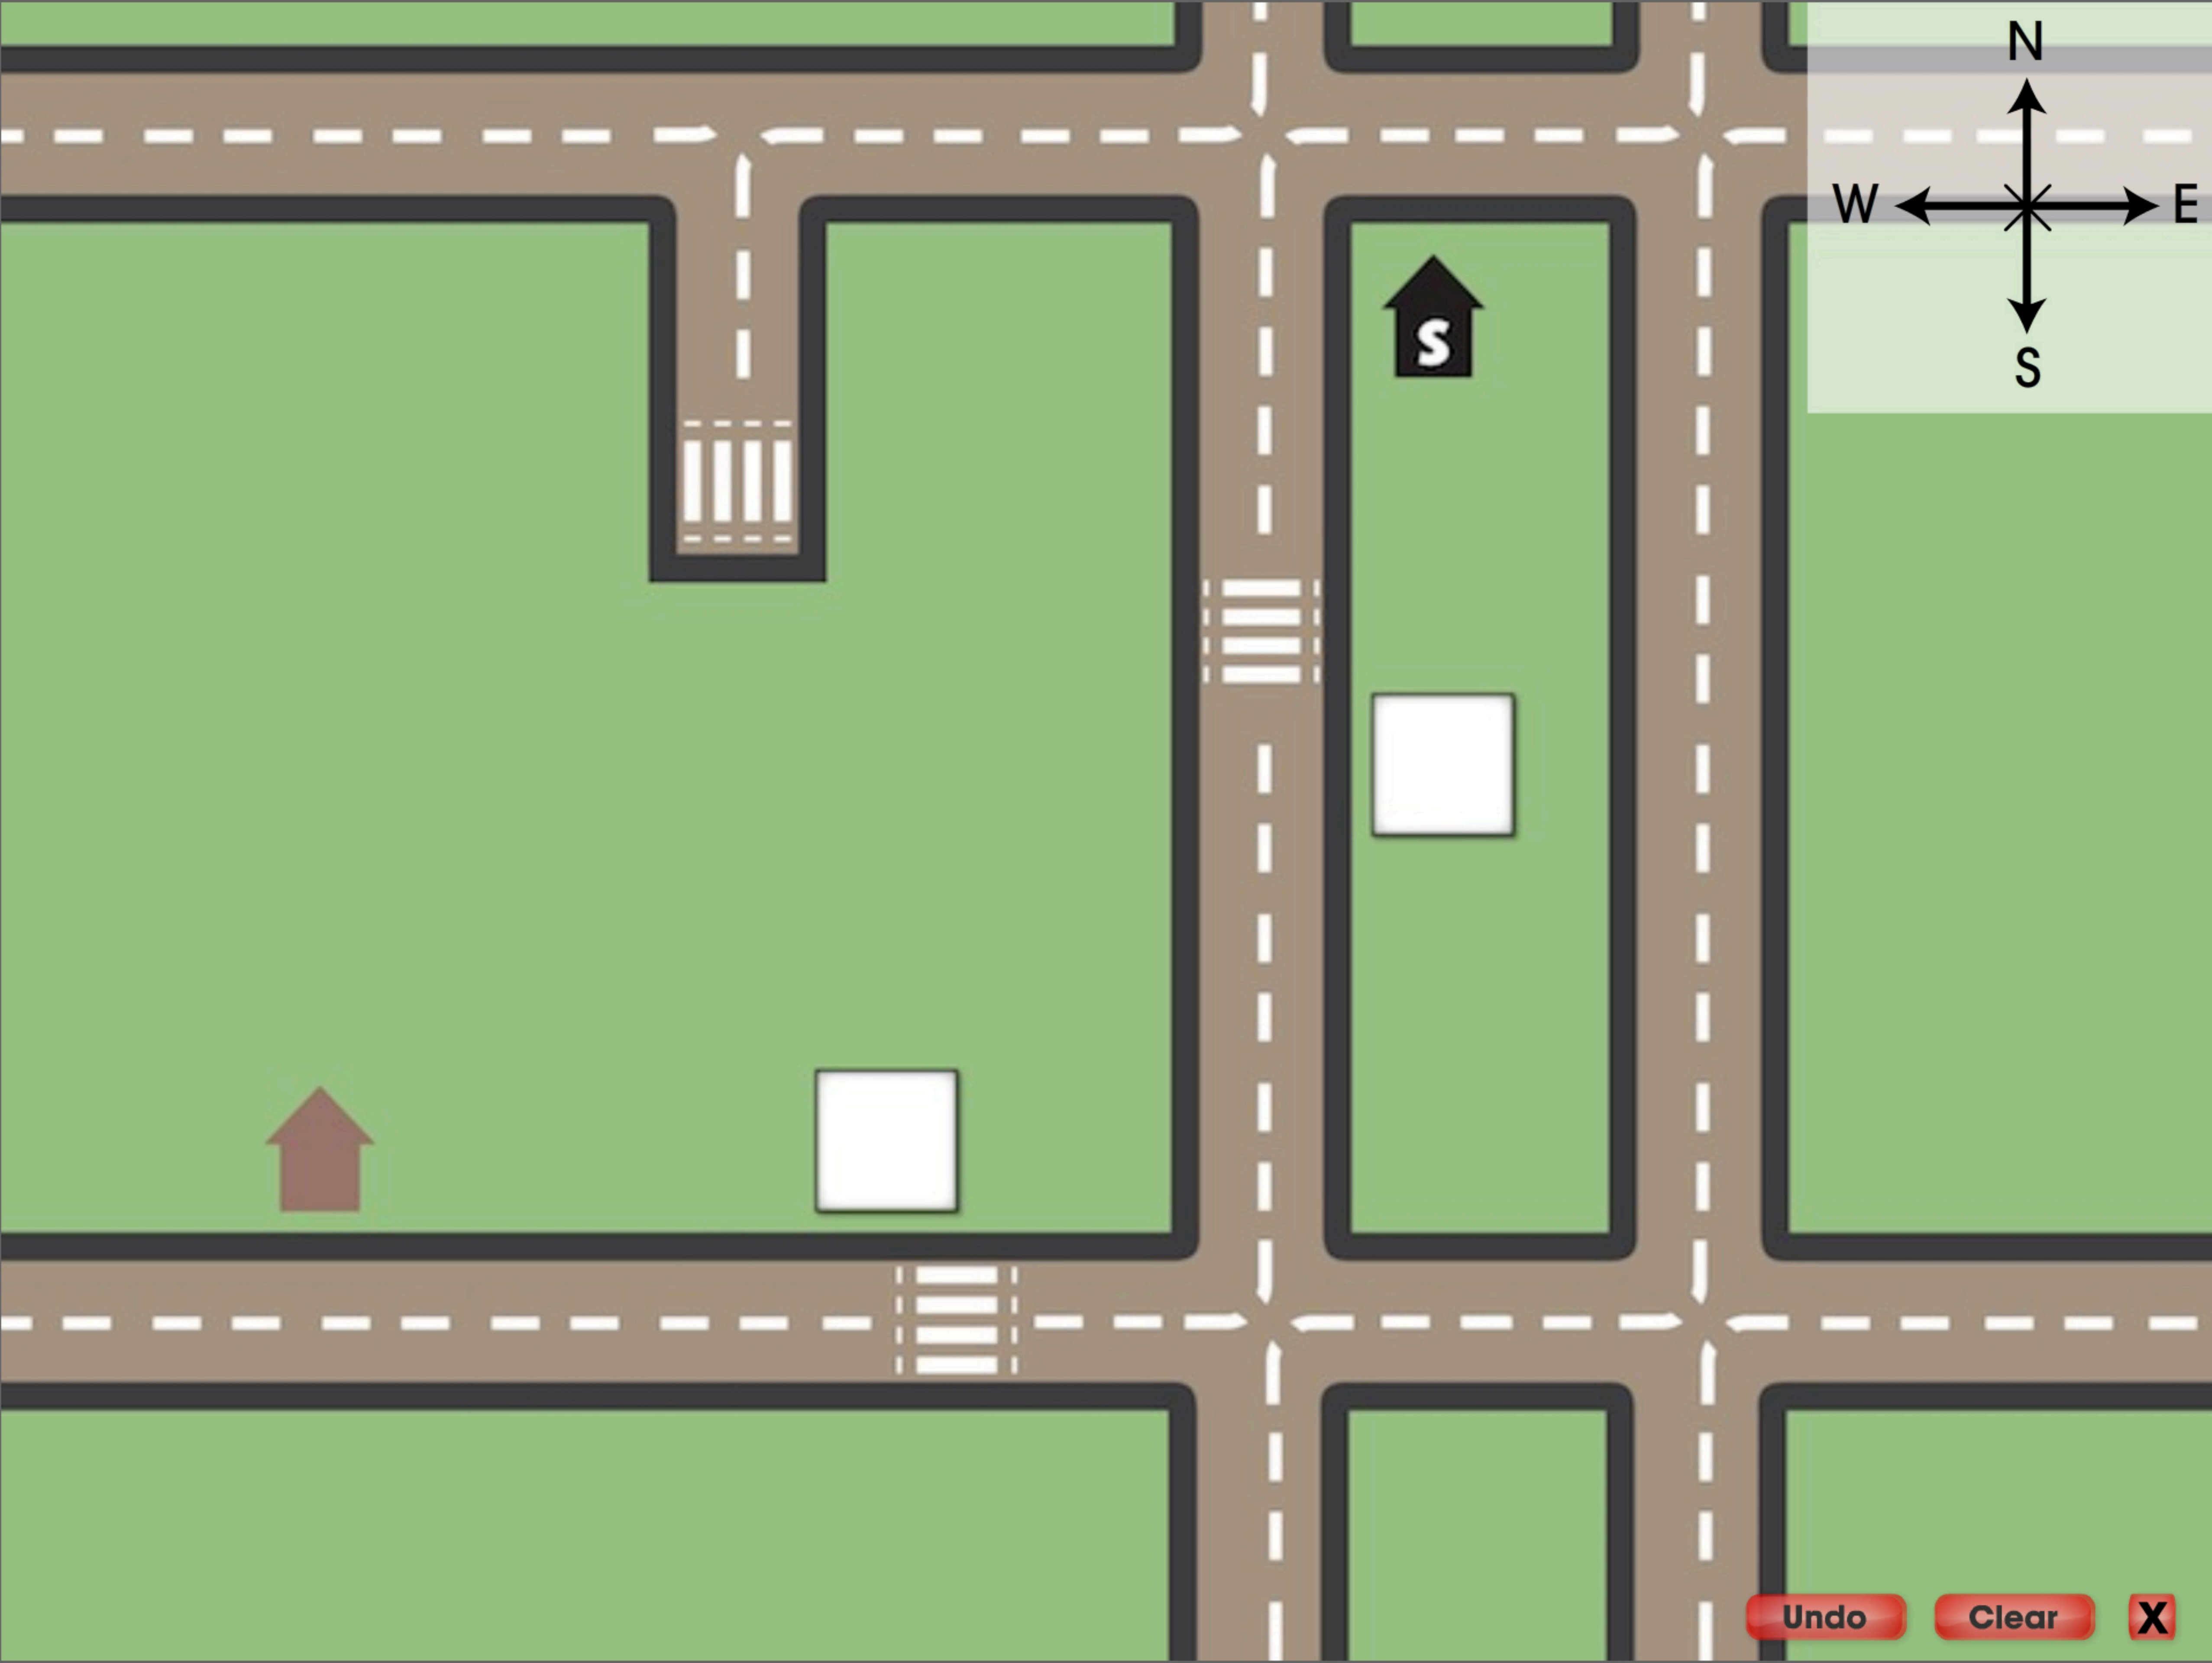

Find your hometown. Find your house and your school. What is the route from your house to your school? Use the cardinal (North, South, East, West) and intermediate (North East, North West, South East, South West) directions. Use "Get Directions" for help.

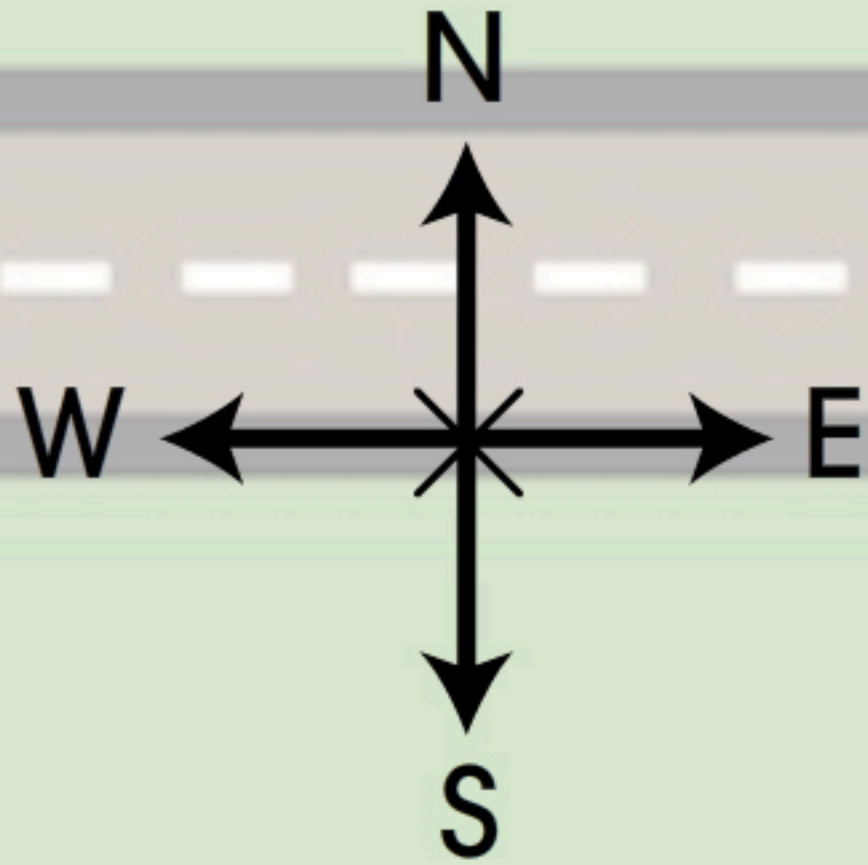

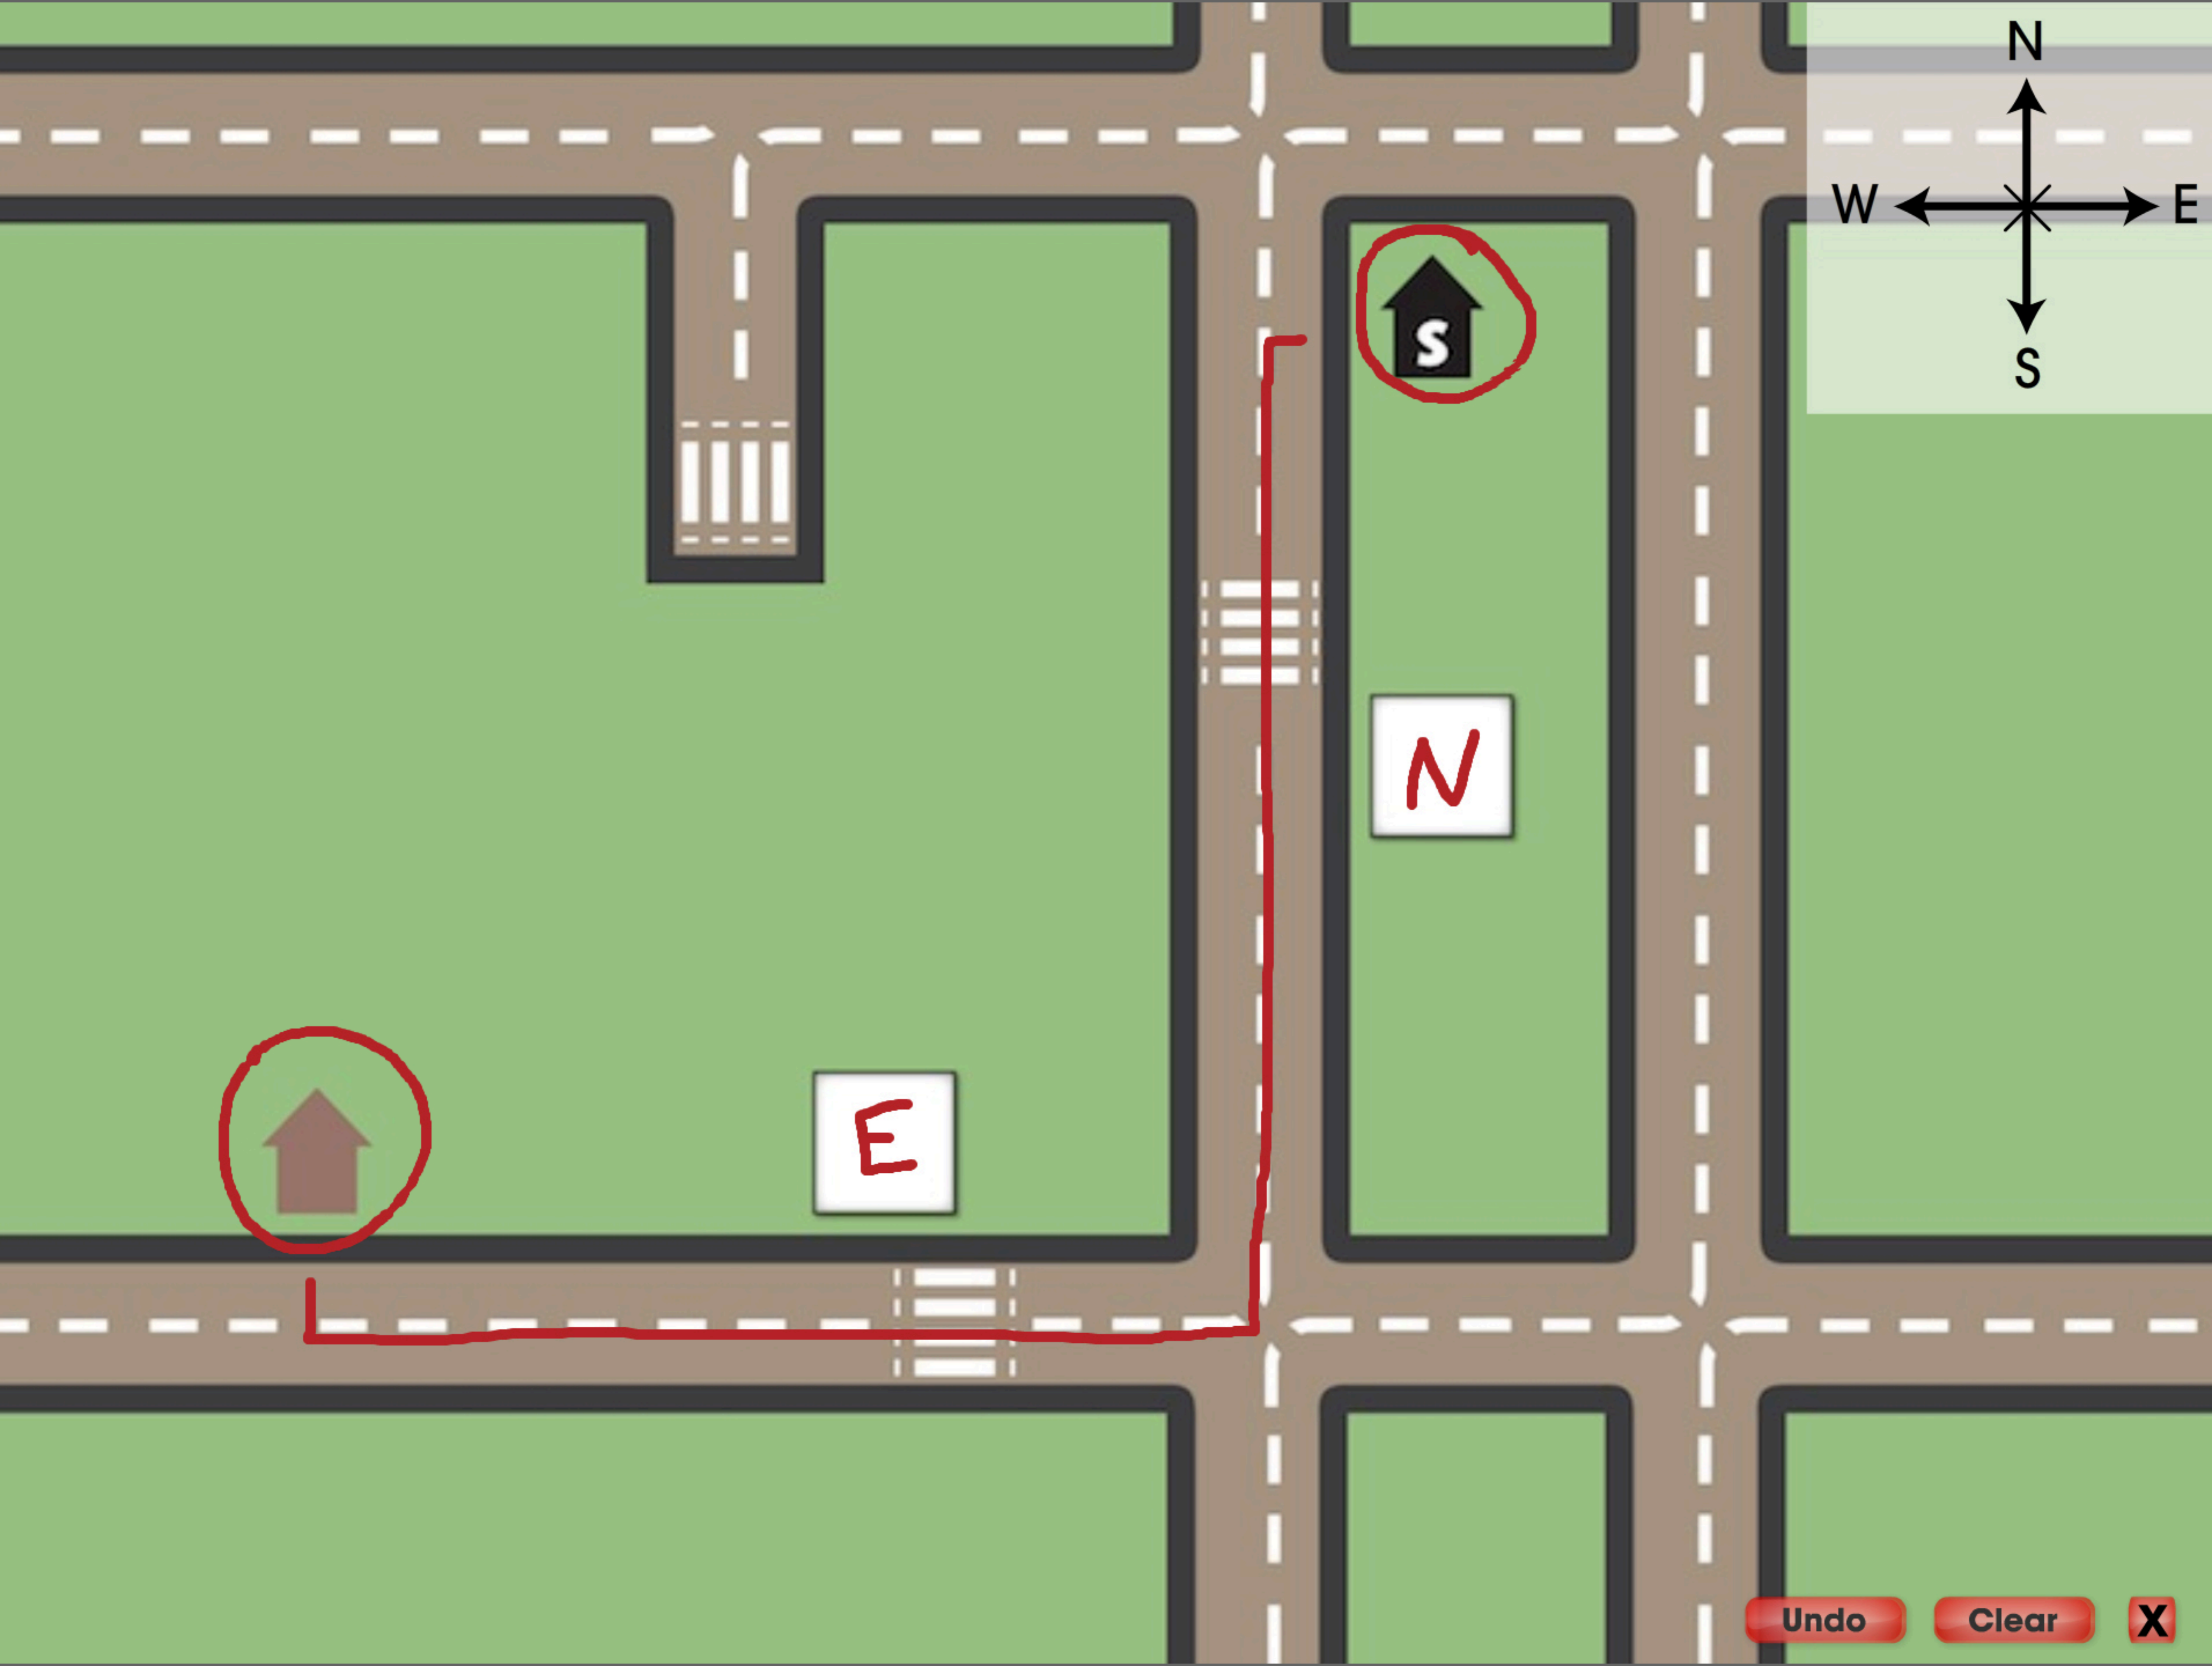

Explore Offline:

Touch the map (below) to make it bigger. Find and circle the house and the school on the map. Using your finger or mouse, draw a route from the house to the school. Write the cardinal directions (North, South, East, West) in the white boxes.
