

Drag the correct word(s) to its definition below.

WELL DONE!

title

a) The name of the map.

author

b) The person who drew the map.

compass

c) An instrument that shows the direction of travel.

compass rose

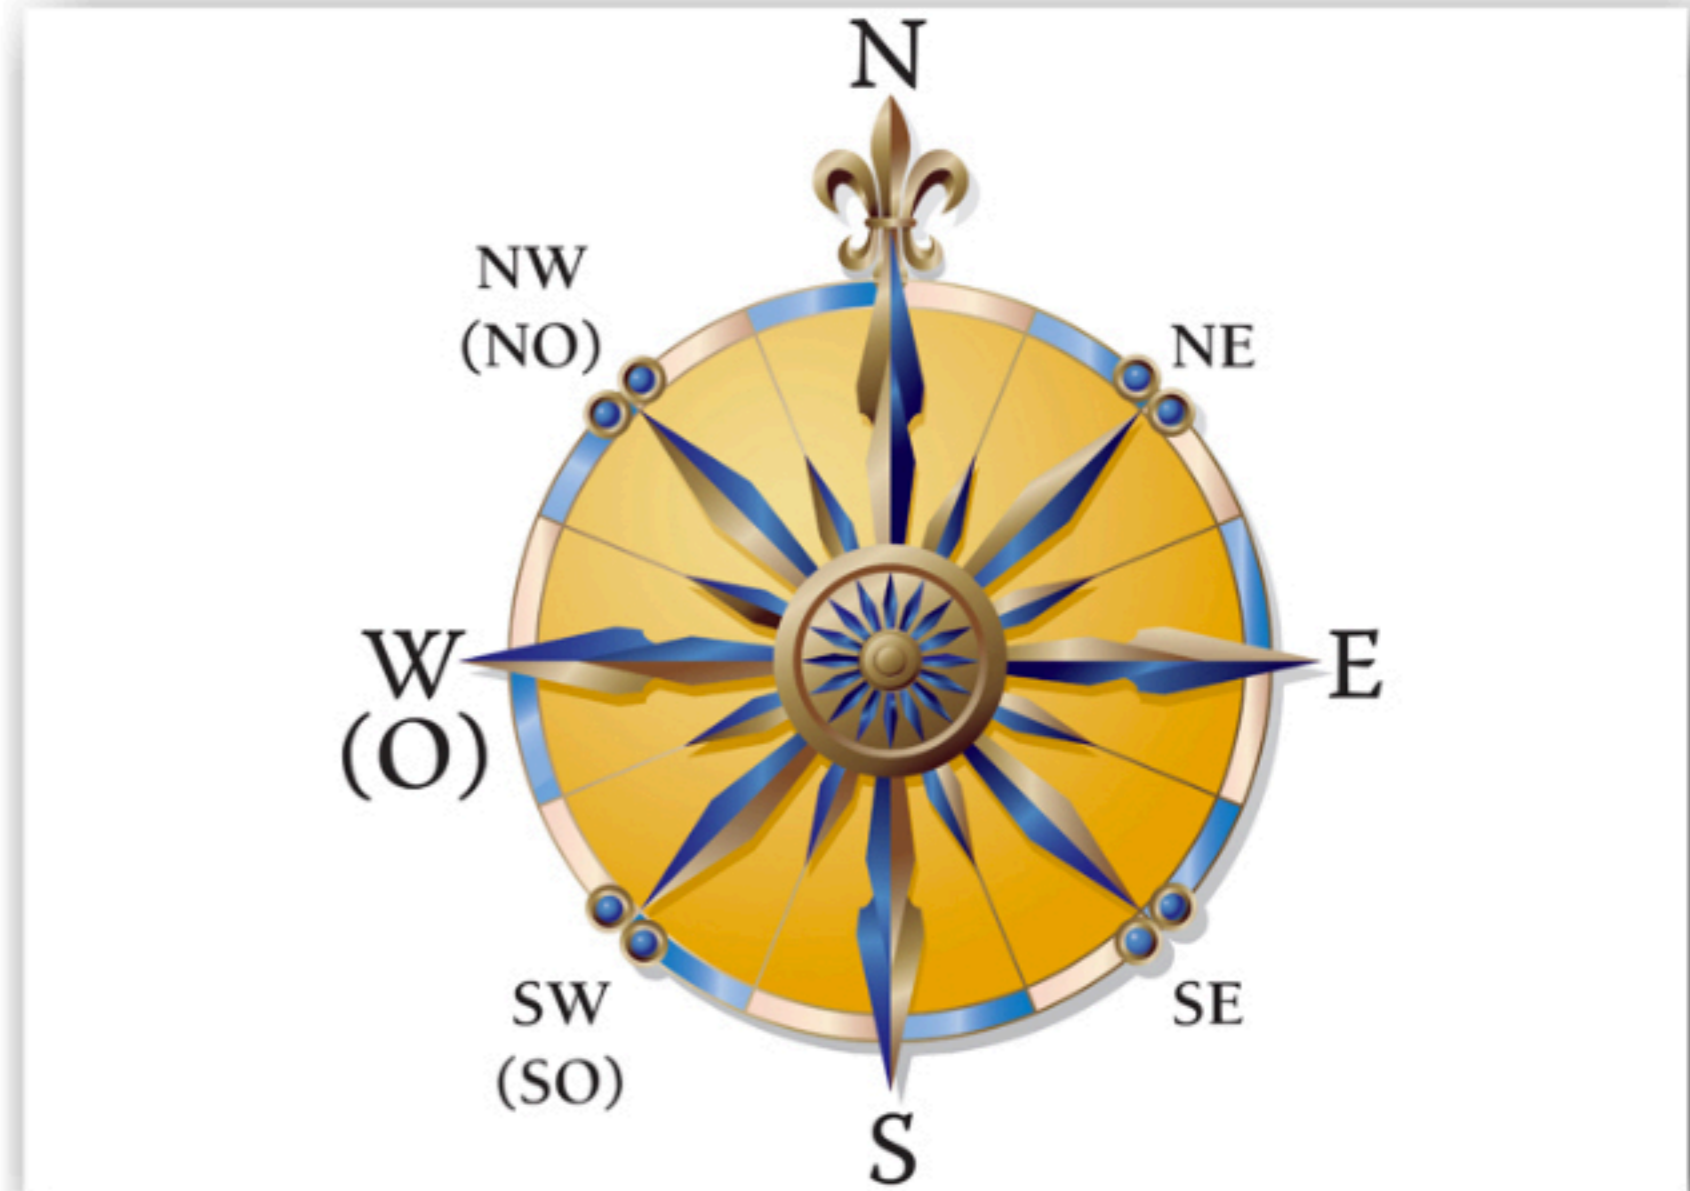

d) A symbol that shows direction.

Direction

A compass is an instrument that shows which direction you are facing. A **compass rose** is a drawing that shows arrows pointing in several directions. It shows you where the cardinal directions are (North, South, East and West). It also shows you where the **intermediate directions** are (North East, South East, North West and South West).
