

Comparing Urban and Rural Communities

Drag the

Instructions

Close X

Create a Cultural Map by following the provided prompts.

Keep score by creating an urban community with map 1, then create a rural community with map 2. Finally, switch to the 3rd map to compare the urban and rural community maps you have created. What differences do you notice between the two maps? Turn off the prompts to create a fully custom map. Then, print out an image of your map.
