2. Give each group a different rime.
3. Ask them to create as many real words as they can in a specific time frame (e.g. 3 mins).
4. One person from each group should record the real words in a list.
5. Record each groups list.
6. Examine the lists for patterns and remove words that aren't real.

The image shows three identical vertical cards with pink borders. Each card has a white header box at the top and a larger white body below it. The body of each card contains a vertical column of 12 yellow dots, intended for students to write words. A large, bold, black watermark with the word "SAMPLE" is written diagonally across the center of the three cards.
