Australia - Movement

1. Match the word to its definition and then to the correct illustration. You may use an atlas or a dictionary to help.

communication

An area outside a city. The country is an example. There are fewer people and place services than in a city, and they are spread out across wide areas of land.

rural

The sharing of ideas through many different ways, such as through speech, printed words, signals, sign language and images.

transportation

The word used to describe how humans move themselves and other items from place to place. It includes vehicles we use and the things they travel on (air, water, roads, etc.)

A

B

C

SAMPLE

2. Think about how you, other people, things, and ideas move from place to place. Beside each example below, write as many different ways as you can think of for moving in that way.

Going to work ➡ _____

Going to school ➡ _____

Traveling to another country ➡ _____

Traveling to the International Space Station ➡ _____

Sharing important news ➡ _____
