Understanding What You Read

Mark whether the following statements are either True or False.

1. _____ There are five oceans covering the earth.
2. _____ Puffer fish are filled with pudding.
3. _____ The blue whale is the largest mammal in the world.

Tell Your Own Story

Many ocean animals have special ways to catch food. Sharks have sharp teeth. Puffer fish use poison. If you were an ocean creature, how would you catch food? Draw a picture showing what you would look like.

Vocabulary Builder

Find a word from the story that rhymes with each of the following words.

1. bring rhymes with _____
2. wish rhymes with _____
3. beep rhymes with _____

Figure It Out!

1. An angler fish was found four thousand six hundred and forty-two feet from the ocean's surface. Write this as a number.

2. If $\frac{2}{3}$ of the earth is covered with water, how much of the earth is not covered by water? Write this number as a fraction. _____
3. Four dolphins are swimming in the ocean. They are joined by three more dolphins. Soon two dolphins leave the group to go home. How many dolphins are left? _____
