Understanding What You Read

Fill in the blanks with the correct answers from the story.

1. The T. rex was a _____, which means that they ate meat.
2. The first T. rex bones were found in the state of _____.
3. _____ is the name of the biggest, most complete set of T. rex bones ever found.
4. The name Tyrannosaurus rex means “tyrant lizard _____.”

Tell Your Own Story

You have just discovered a brand new dinosaur. What will you name it? What does it look like? Draw a picture of your new dinosaur and explain how it got its name.

Vocabulary Builder

Write down a word from the story that rhymes with each of the following words (some may have more than one answer):

1. **Feet** rhymes with _____
2. **Wizard** rhymes with _____
3. **Mail** rhymes with _____
4. **Snore** rhymes with _____

Figure It Out!

Use your math skills to answer the following questions:

1. The T. rex could weigh up to 7 tons! How many pounds is this?
(Hint: 1 ton = 2,000 pounds) _____
2. A T. rex eats a small dinosaur for lunch at 1:30 P.M. He will be hungry again in 4 hours. On the clocks below, draw what time he ate his lunch, and what time he will be hungry again.

3. You and your family decide to go to see Tyrannosaurus Sue at the Field Museum. It costs \$5.00 to get in, \$2.25 for a snack, and \$7.00 for a t-shirt. How much will it cost to spend the day at the museum?
