# When I Grow Up

Abigail, Heather, Martin, and Scott are all writing a report on the job they want to have when they are finished with school. Use the clues below to figure out each student's future job, current job, and favorite subject in school.

	Abigail	Heather	Martin	Scott
Doctor				
Teacher				
Police Officer				
Architect				
Math				
Science				
English				
Art				
Delivers Newspapers				
Walk Dogs				
Babysits				
Mows Lawns				

1. Scott loves to spend time with children. Both his current job and his future job involve kids.
2. The person who wants to be a doctor does not like math or art.
3. The student who delivers newspapers wants to be a police officer like his father.
4. Neither the future architect nor the future doctor enjoys English, but one of these people really likes art.
5. Abigail told the lawn mower just how much she enjoys spending time with her furry friends.
6. One student mowed so many lawns one summer that she saved enough money to buy a white lab coat.
7. Martin wrote in his report about the importance of proper grammar.
8. Heather isn't very busy at her after-school job during the winter months.
