Sea Robbers and Buried Treasure

“Argh! Ahoy, landlubbers!”

“Shiver me timbers!”

“Avast me hearties!”

These are a few famous pirate sayings. And who were these pirates? They sailed the seas for thousands of years. Both

men and women were pirates. They were robbers. They attacked other ships. When their ships landed, pirates raided towns. They stole treasure and buried it. These riches were called their ‘booty’.

There are stories that make being a pirate sound exciting. The life of a pirate was not always fun. They ate rotten food. They sat on their ships with nothing to do.

Pirates were known for being dirty and stinky. Each ship had a long piece of wood that hung out over the water.
