

# MATH WORKBOOK

## GRADE 1

This workbook provides practice in first grade mathematics skills. Emphasis is placed on understanding number quantity and on addition and subtraction facts through ten. The material correlates with the curriculum in most basic mathematics texts. The pages are presented in a suggested order, but may be used in any order which best meets a child's needs.

Parents who wish their children to have practice in mathematics skills will find the book as helpful as classroom teachers will find it. The exercises are presented so that a child can work with a minimum of supervision.

Answers are included in a four-page leaflet at the end of the book. This leaflet can be easily removed. A glossary is also provided for reference.

### Contents

Numerals 0 through 9 .....	1	Addition ( <i>sums through 10</i> ) .....	24,25
Addition ( <i>sums through 4</i> ) .....	2,3	Subtraction ( <i>minuends through 6</i> ) .....	26
Addition ( <i>sums of 5 and 6</i> ).....	4,5	Counting by 1s, 2s, 5s, and 10s .....	27,28
Addition ( <i>sums through 6</i> ).....	6-8	Addition ( <i>sums through 10</i> ) .....	29,30
Subtraction ( <i>minuends through 4</i> ) .....	9,10	Two-Digit Addition .....	31,32
Subtraction ( <i>minuends of 5 and 6</i> ) .....	11,12	Subtraction ( <i>minuends of 7 and 8</i> ).....	33
Subtraction ( <i>minuends through 6</i> ) .....	13-16	Subtraction ( <i>minuends of 9 and 10</i> ).....	34
Addition and Subtraction .....	17	Subtraction ( <i>minuends of 7 through 10</i> ) .....	35,36
Comparing Numbers .....	18	Subtraction ( <i>minuends through 10</i> ) .....	37,38
Tens and Ones .....	19	Addition and Subtraction .....	39,40
Addition ( <i>sums of 7 and 8</i> ) .....	20	Two-Digit Subtraction .....	41,42
Addition ( <i>sums of 9 and 10</i> ).....	21,22	Hundreds, Tens, and Ones .....	43
Addition ( <i>sums of 7 through 10</i> ) .....	23	Making Sentences True .....	44

The purchase of this book entitles the individual purchaser to reproduce copies by duplicating master or by any photocopy process for single classroom use. The reproduction of any part of this book for commercial resale or for use by an entire school or school system is strictly prohibited. Storage of any part of this book in any type of electronic retrieval system is prohibited unless purchaser receives written authorization from the publisher.
