

# MATH WORKBOOK

## GRADE 2

This workbook provides practice in second grade mathematics skills. Emphasis is placed on addition and subtraction facts through eighteen. Practice is also provided in solving word problems and in renaming in more complex addition and subtraction. The material correlates with the curriculum in most basic mathematics texts. The pages are presented in a suggested order, but may be used in any order which best meets a child's needs.

Parents who wish their children to have practice in mathematics skills will find the book as helpful as classroom teachers will find it. The exercises are presented so that a child can work with a minimum of supervision. Procedures for completing unfamiliar exercises are clearly illustrated at the top of those pages.

Answers are included in a four-page leaflet at the end of the book. This leaflet can be easily removed. A glossary is also provided for reference.

### Contents

Addition ( <i>sums of 1 through 9</i> ) .....	1	Subtraction Facts Review.....	22,23
Addition ( <i>sums of 10, 11, and 12</i> ) .....	2	Subtraction Word Problems .....	24,25
Addition ( <i>sums of 13, 14, and 15</i> ).....	3	Addition and Subtraction .....	26
Addition ( <i>sums 1 through 10</i> ) .....	4	Addition ( <i>one- and two-digit addends</i> ) .....	27-29
Addition ( <i>sums of 11 through 15</i> ) .....	5	Addition ( <i>three-digit addends</i> ) .....	30
Addition ( <i>sums of 16, 17, and 18</i> ) .....	6,7	Subtraction ( <i>two-digit minuends</i> ) .....	31,32
Addition ( <i>sums of 10 through 18</i> ) .....	8	Subtraction Word Problems ( <i>two-digit numbers</i> ) ....	33
Addition Facts Review .....	9,10	Subtraction ( <i>three-digit minuends</i> ) .....	34
Addition Word Problems.....	11-13	Addition ( <i>one- and two-digit addends,</i> <i>renaming</i> ).....	35
Subtraction ( <i>minuends of 1 through 9</i> ) .....	14	Addition ( <i>three addends</i> ) .....	36
Subtraction ( <i>minuends of 10, 11, and 12</i> ) .....	15	Addition ( <i>two-digit addends, renaming</i> ) .....	37
Subtraction ( <i>minuends of 13, 14, and 15</i> ) .....	16	Subtraction ( <i>two-digit minuends, renaming</i> ).....	38,39
Subtraction ( <i>minuends of 1 through 10</i> ) .....	17	Subtraction ( <i>two-digit numbers, renaming</i> ).....	40,41
Subtraction ( <i>minuends of 11 through 15</i> ) .....	18	Addition and Subtraction Review .....	42,43
Subtraction ( <i>minuends of 16, 17, and 18</i> ).....	19,20	Addition and Subtraction ( <i>renaming</i> ).....	44
Subtraction ( <i>minuends of 10 through 18</i> ) .....	21		

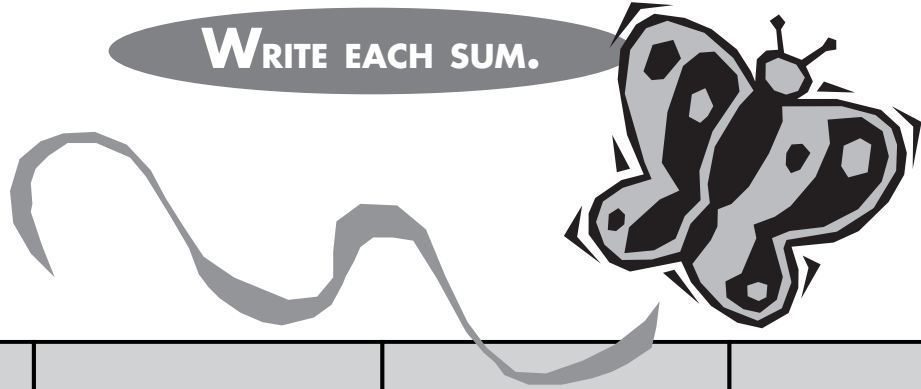

The purchase of this book entitles the individual purchaser to reproduce copies by duplicating master or by any photocopy process for single classroom use. The reproduction of any part of this book for commercial resale or for use by an entire school or school system is strictly prohibited. Storage of any part of this book in any type of electronic retrieval system is prohibited unless purchaser receives written authorization from the publisher.
