Don't Be Uncouth

Remember: It is very pleasant to be around a person with good manners !

I wouldn't lie
About the truth!
You won't be liked
If you're uncouth.*

So learn to be nice
Clean up your act!
You'll be loved by more people
And that's a fact!

Smooth out your style
From toes to chin
Work on your attitude
From outside in.

Say, "Please and thanks."
Say, "Howdy do."
Ask, "How are things?"
Say, "Welcome," too!

Practice your manners
Be polite
You'll win much praise
'Cause you do things right!

G.B. Lipson

**Uncouth* is defined as "crude or unrefined." *Couth* means "refined."

It's nice to be nice!
