# WELCOME SLATE

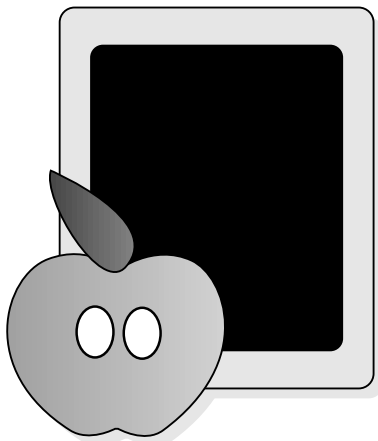

**1** Cut one #1 slate frame from brown paper. Cut one #2 slate from black paper. Glue it to the #1 slate frame.

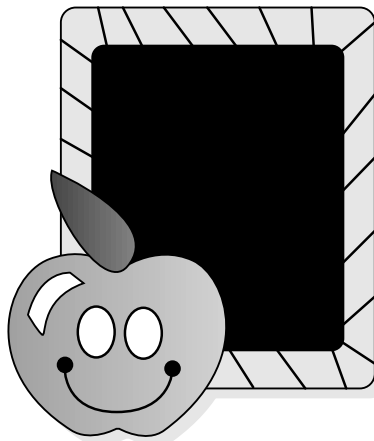

**2** Cut one #3 apple from red paper. Glue the apple to the slate as shown.

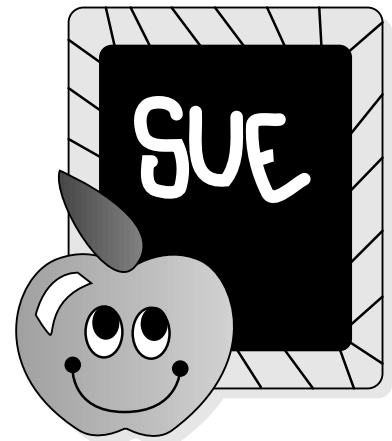

**3** Cut one #4 leaf from green paper. Glue it to the apple and slate as shown.

**4** Cut two #5 eyes from white paper and glue them to the apple.

**5** Cut one #6 reflection from white paper and glue it, as shown, to the apple. With a black crayon or marker, create a smile on the apple. Add some diagonal lines to the slate frame.

**6** With a black crayon or marker, add irises to the apple's eyes. With white chalk, write your name on the slate. (If your students are pre-writers, this step can be done by you.)
