BACK-TO-SCHOOL

AUGUST

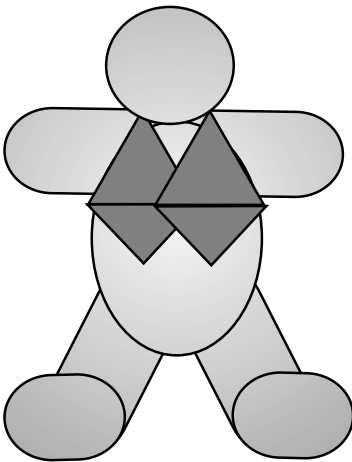

1 Cut one #1 body and #2 arms from whatever color you choose for your person. Glue together as shown.

2 Cut two #3 legs and add to the bottom part of the body.

3 Cut two #4 feet and glue to the legs as shown. Cut one #5 head and glue to the top of the body.

4 Cut two #6 and #7 vests from whatever color you want to make the vest. Glue in place as shown. (Note: You can make up your own outfit for your person.)

5 Cut one #8 button from black paper or draw a button on with a marker.

6 With a marker, make a face or cut one out from colored paper. (Note: Make several different color people and glue them together holding hands. These make great coatrack or cubby tags.)

BACK-TO-SCHOOL PATTERNS

Note:
This is how the face is rendered.
Use this to trace or copy.

GRANDPARENTS' DAY BOOKMARK

SEPTEMBER

- 1** Cut one #1 cone from tan paper.

- 2** Cut three #2 ice cream scoops from three different ice cream colors. Glue the first color ice cream to the back of the cone. Glue the second behind the first scoop of ice cream and so on.

- 3** Write *You are the coolest!* on the first scoop. (Note: You could use a brown marker to make a waffle pattern on the cone.)

Note: Cut the scoops from colors that represent favorite flavors. Make a graph to show the most popular flavors in your class.
