AIRPLANE

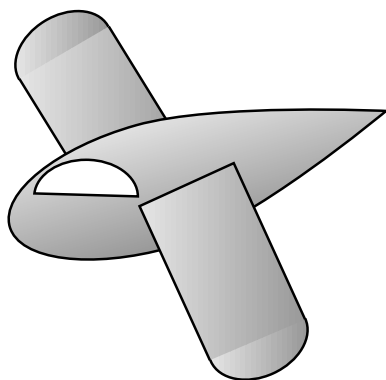

1 Cut one #1 plane from blue paper. (Note: Your plane can be any color you choose.)

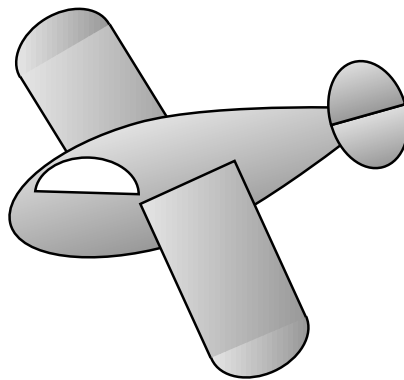

2 Cut one #2 window from white paper and glue as shown.

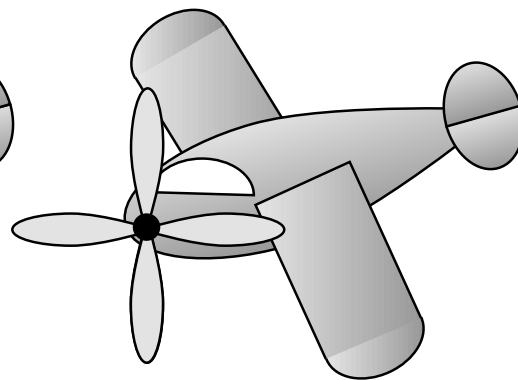

3 Cut two #3 wings from blue paper.

4 Glue a wing on each side of #1.

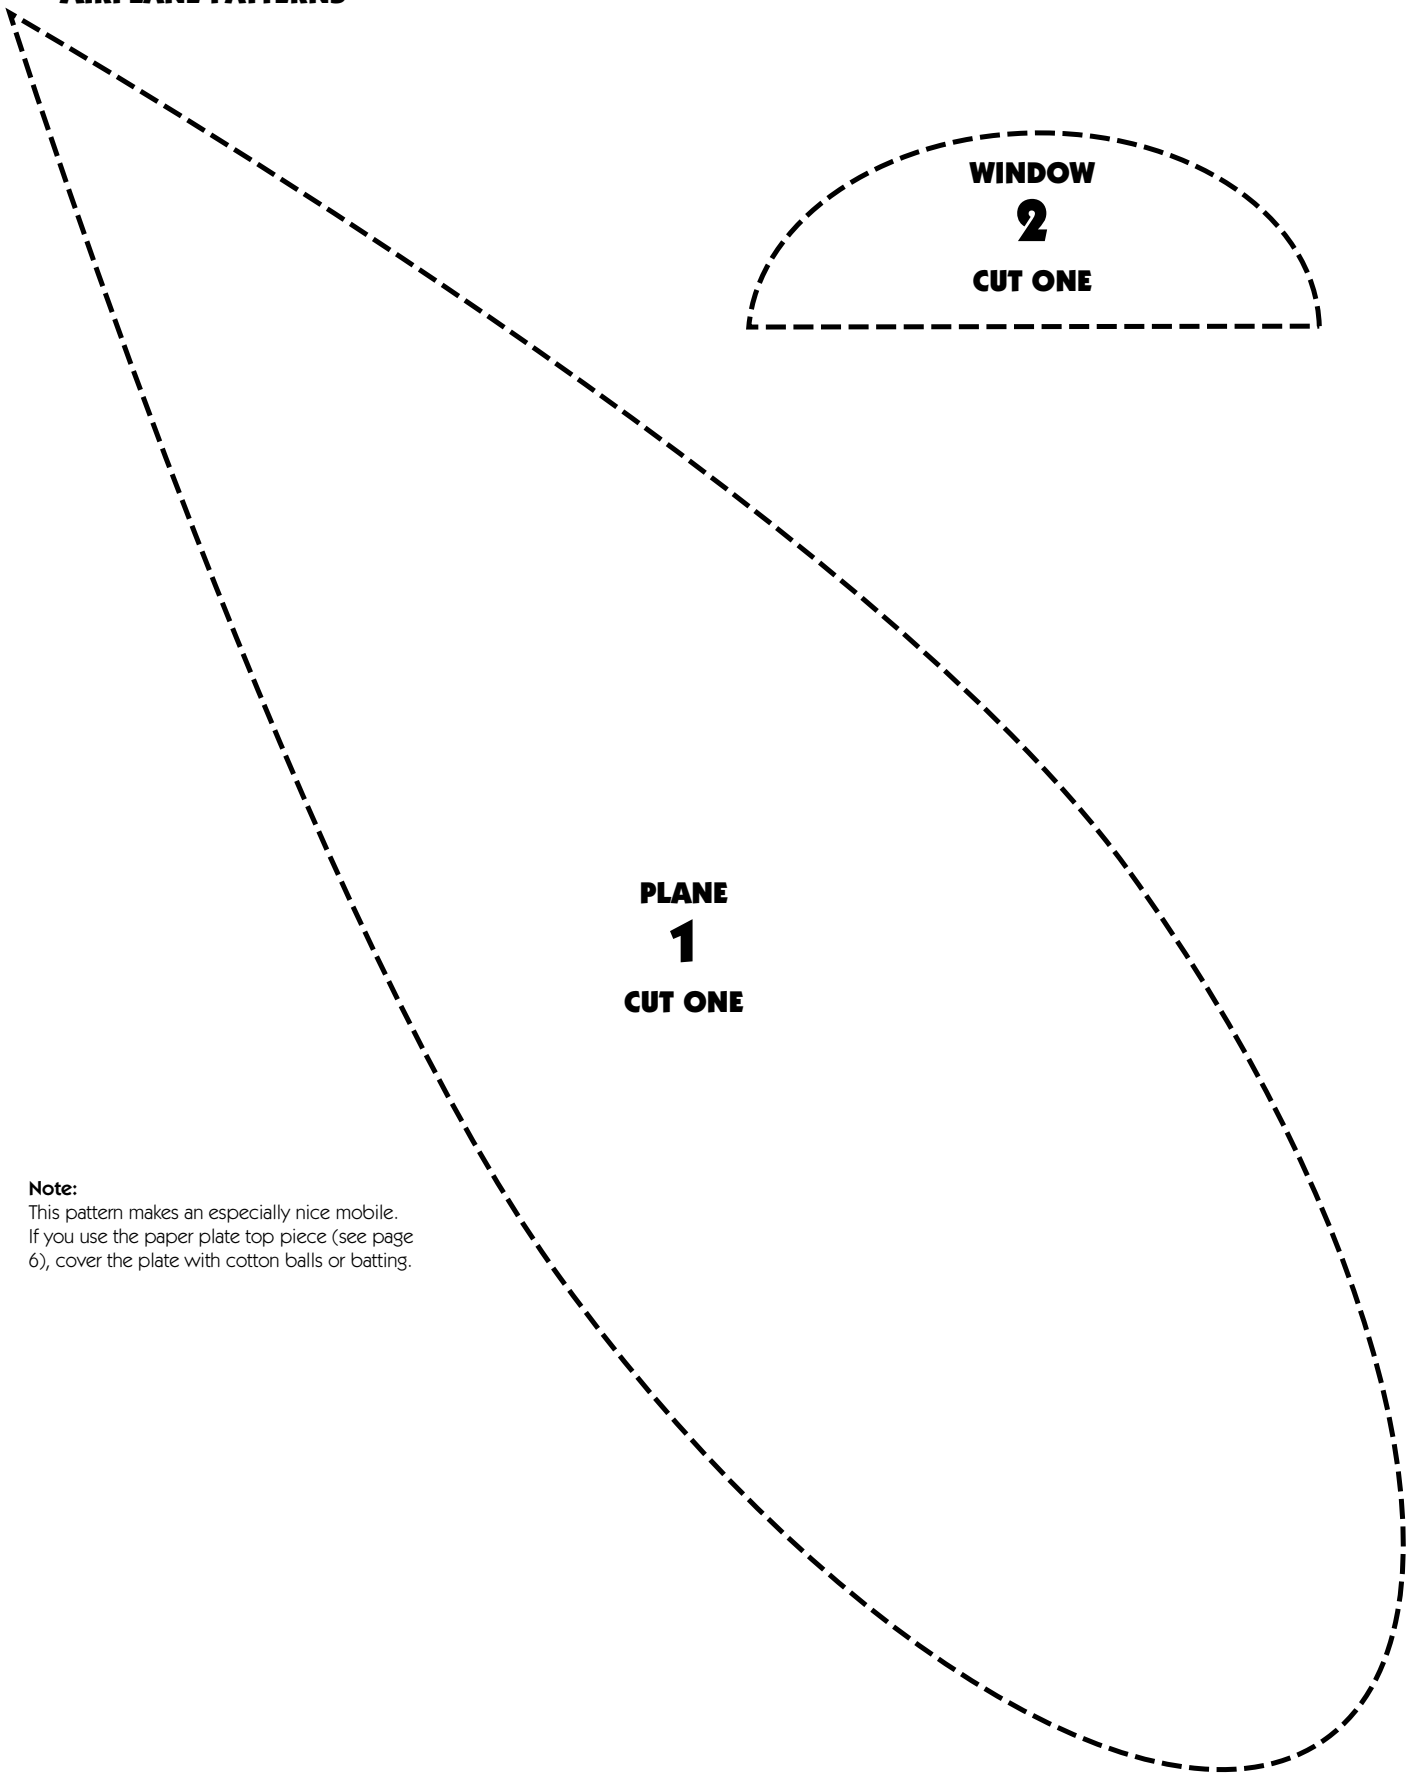

5 Cut two #4 tail wings from blue paper and glue on the back of the plane.

6 Cut four #5 propellers from gray paper and glue on the front as shown. Cut one #6 propeller nose from black paper and glue in the center of the propellers.

2
CUT ONE

Note:

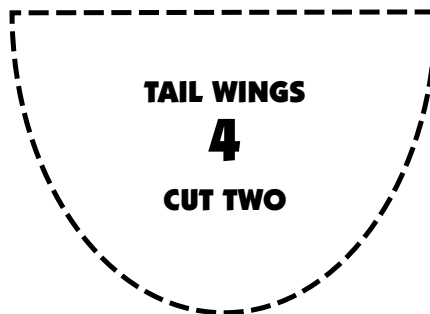

This pattern makes an especially nice mobile.
If you use the paper plate top piece (see page 6), cover the plate with cotton balls or batting.

CUT ONE

***Note:**
If this piece is too small for your students to cut out successfully, you can draw on a dot with a crayon or marker or add a round sticker.
