Optional Materials: apple seeds

A IS FOR APPLE

- 1** Cut one #1 leaf from green paper. Cut one #2 stem from brown paper. Glue the leaf to a sheet of construction paper. Glue the stem on top of the leaf, as shown.

- 2** Cut one #3 apple from red paper and glue the apple on top of the stem and leaf, as shown.

- 3** Cut one #4 apple half from red paper and glue to the front of the apple as shown.

- 4** Cut one #5 apple center from white paper and glue to the front of the apple half as shown.

- 5** Cut one #6 core from light yellow or white paper and glue to the apple half as shown. Cut two #7 seeds from black paper and glue to the core. Cut one #8 shine from white paper and glue as shown.

- 6** Cut letters Aa from construction paper or use the letter patterns in the back of the book. Glue the letters as shown.

Note: You could use real apple seeds in place of piece #7.
