DOLPHIN

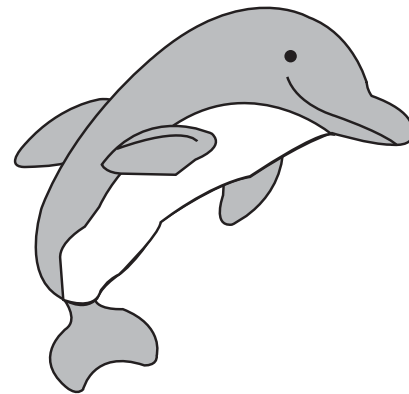

- 1** Cut one #1 body from gray paper and one #2 stomach from white paper. Glue the stomach on the body as shown.

- 2** Cut one #3 tail and one #4 top fin from gray paper. Glue the fin on the back of the body. Glue the tail at the end of the body.

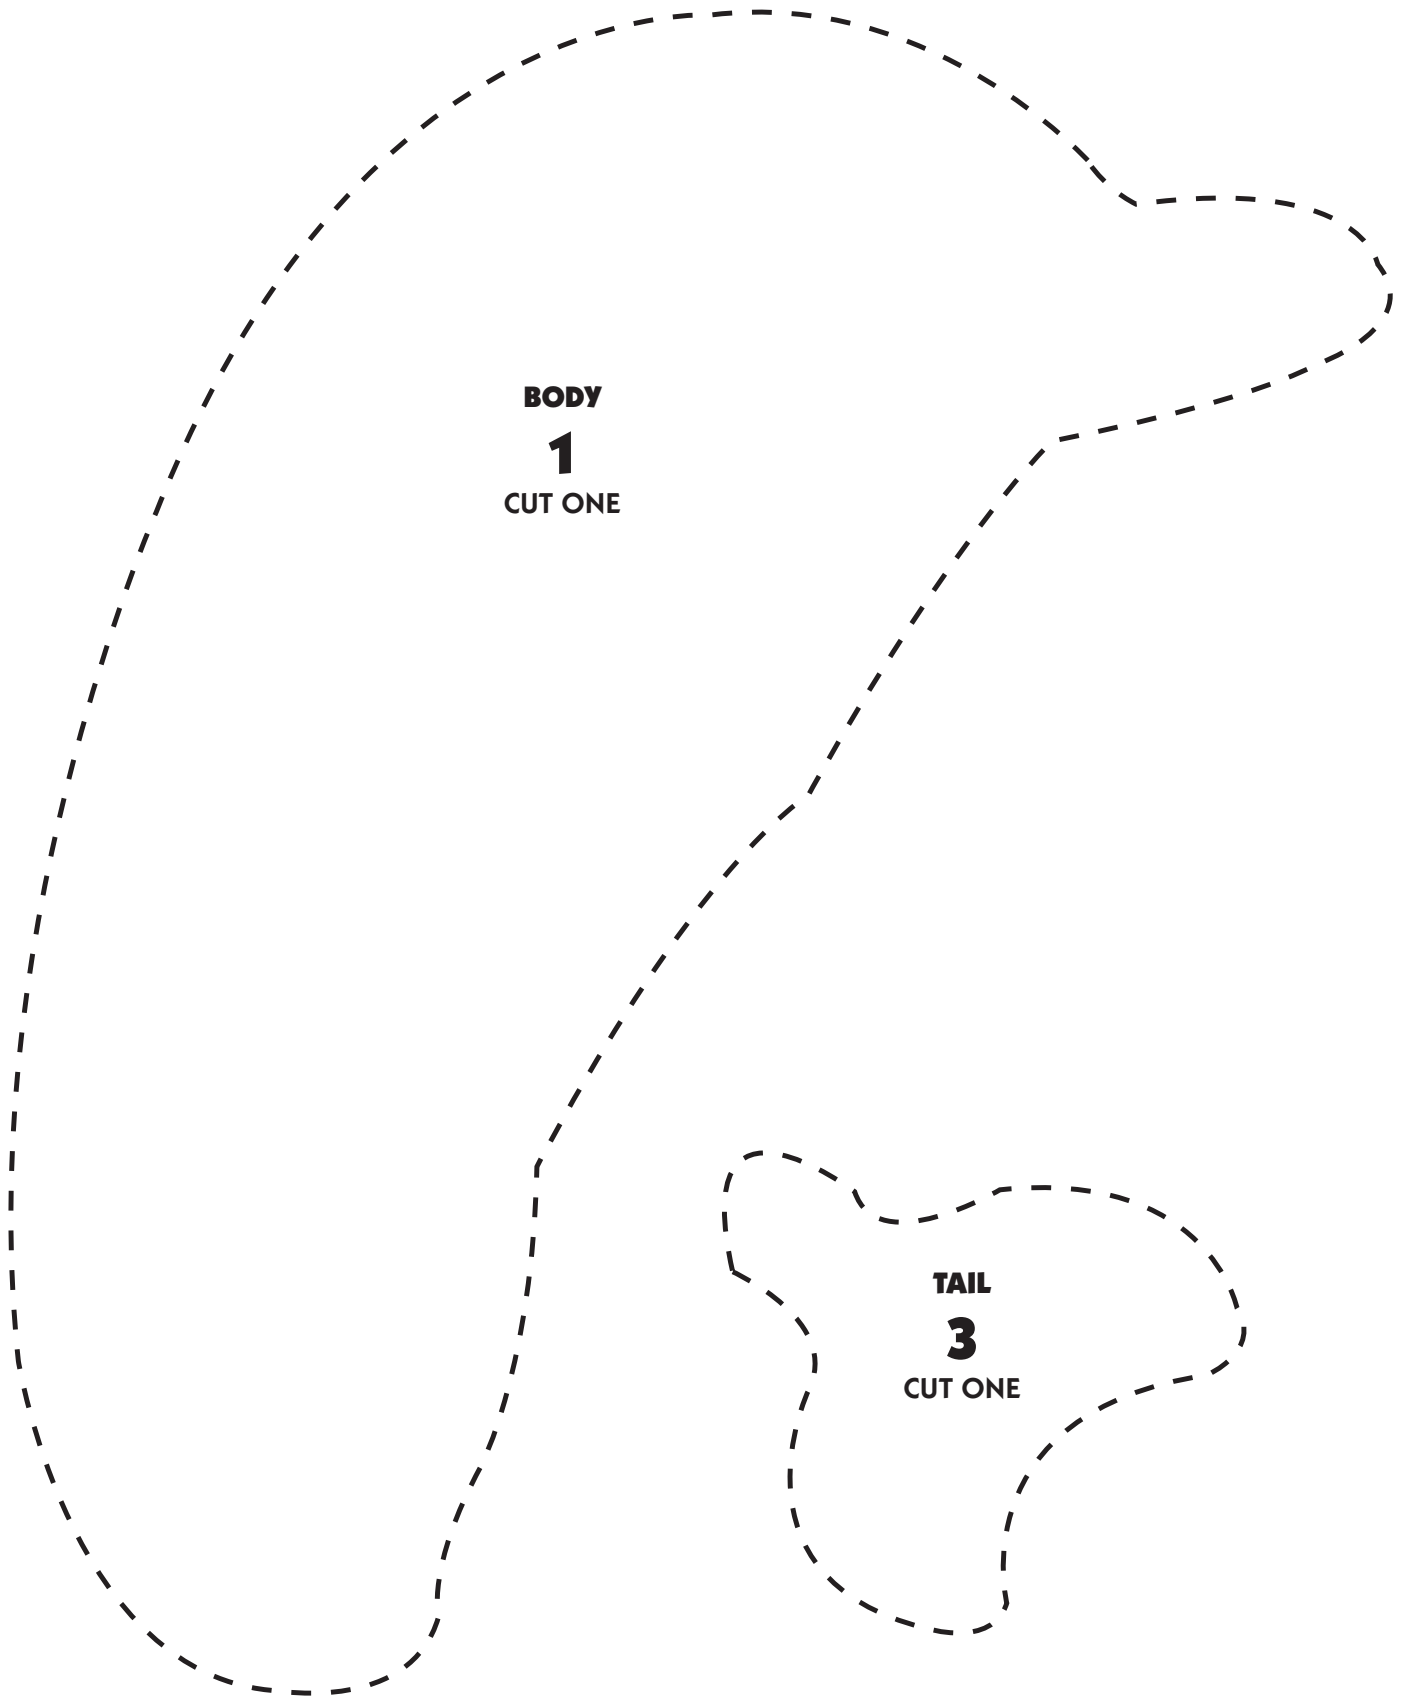

- 3** Cut one #5 flipper and one #6 flipper from gray paper. Glue them on the white stomach as shown. Use a black crayon or marker to draw the line on the top flipper as shown.

- 4** Cut one #7 eye from black paper. Glue it on the dolphin's head. Use a black crayon or marker to draw the dolphin's mouth.
