Complete List of Words	61

Tips for the Teacher

This activity book is an excellent resource to help your students learn to read and write. Combining both interactive group activities and individual activities, students learn basic reading skills through visual and phonological experiences.

This resource book provides you with over 65 activities that can be reproduced for classroom use. Reproducible picture cards and a list of words are available to help you guide your students' success while using these activities. Please visit: <http://www.SongsThatTeach.com/phonics>

This phonics resource book can be used independently or as a supplement to the "Funky Phonics: Learn to Read" audio kits. This method addresses the needs of classroom teachers with support material and lessons for large groups, small groups and individual students.

We invite you to visit our website: www.SongsThatTeach.com.

The two types of activities are symbolised at the top corners of each page to help you identify the type of activity and are defined below:

Group/Class Activity

Individual Activity

Name _____

2) "or" Exercises

Match the Sounds: "ar" and "or"

Sound out the pictures on the left and right side of the page. Draw lines from the pictures to the "ar" if the picture has the "ar" sound in it or to "or" if the picture has the "or" sound in it.

	"ar"	
	"or"	

Name _____

2) "or" Exercises

Cut and Paste: Loading Ships

Sound out and color the pictures. Cut and paste the pictures that have the "or" sound into the ship. Cut out the entire ship when finished.

Name _____

5) "sp" and "st" Exercises

Finish the Sentence

Sound out the picture. Find the word at the bottom of the page. Write it in the blank space. Read out the entire sentence.

The top must _____ to stay up.

A _____ has eight legs.

This rocket can go into _____ .

A bird sits in the _____ .

There are many _____ in space.

spin nest spider stars space

5) "sp" and "st" Exercises

Name _____

Building a Space Station

You are a space marine and need to find the best place for a new space station. Count the "sp" and "st" words on each planet and color the one with the most to chose the best location.

<ul style="list-style-type: none"> spider stars socks stick nest 	<ul style="list-style-type: none"> speed spy spin scream stop
<ul style="list-style-type: none"> best stairs space gasp start 	<ul style="list-style-type: none"> spoon shell clasp rest stand
