oven _____ crust _____ cheese _____

menu _____ pop _____ pepperoni _____

bacon _____ special _____ beef _____ knife _____

mushroom _____ olive _____ waiter _____

customer _____ advertisement _____

coupon _____ manager _____ box _____

waitress _____ register _____

delivery _____ onion _____

Phonics activity #3

Art activity #1

Create your own pizza!

Using paint, crayons or construction paper, design and make a pizza for display in your classroom.

#2 See teacher suggestions regarding construction of pizza booklets.

Using manilla tag and construction paper, create a cover for your pizza booklet. (put name on, laminate and hole punch)

#1 You may wish to display the students' pizzas as a border around a bulletin board or your door.

Art activity #2

Writing activity #3

Write a story entitled "The Legend of the First Pizza"

Write a story about eating a super pizza. Don't forget to include the ingredients of your super pizza.

Writing activity #4

Note: Students may work with a partner or in a small group.

Recipe for Pizza Treats

In a bowl, mix:
a small can of tomato sauce with
1/4 cup of chopped green peppers and
1/4 cup of chopped onions
Add 1/4 teaspoon of oregano.

Split 4 English muffins in half.
Spread the tomato mixture on the muffins.
Place muffins on a cookie sheet.
Broil in the oven for 5 minutes.
Use a cheese grater to grate some mozzarella cheese.
Sprinkle it on the muffins.
Broil for another 2 minutes.

Eat and enjoy!

Reading activity #1

1. What should you do with the muffins before toasting?
2. How long do you broil the muffins in all?
3. What step could you leave out? How would it change the pizza treats?
4. List the things you use in groups:

ingredients	utensils	appliances

Pizza Fractions!

Write a fraction for the missing (shaded) part of each pizza.

Math activity #1

Pizza Problems

Bob and Charlie ordered a large cheese pizza, a large bacon and pineapple pizza and two soft drinks. How much did they pay?

Chris ordered an extra-large pepperoni, mushroom and green peppers pizza. He paid with a \$20 bill. What change did he get?

Susan's family had a large beef and onion pizza delivered to their house. How much did they have to pay the delivery man?

Joan ordered a medium bacon and pineapple pizza with an extra topping of green peppers. How much did she have to pay?

Encourage your students to make up pizza problems. When they are satisfied with their problem (s) they can record them on a pizza slice.
