

Dear \_\_\_\_\_,

February 14 is a

special day. It is the

day  can open up

their  's and share.

We can give each other

a big  and a 

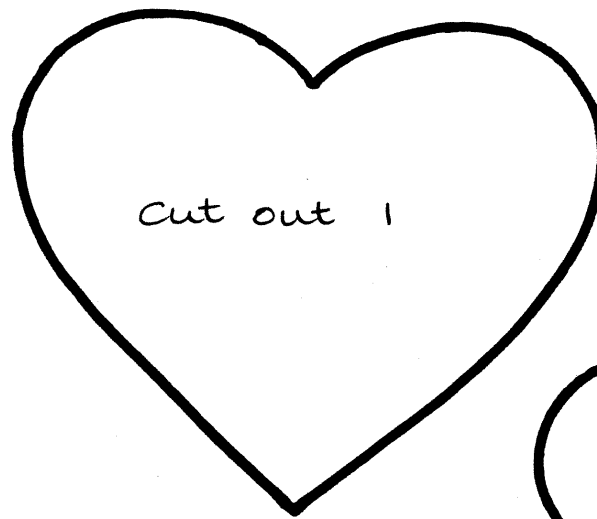

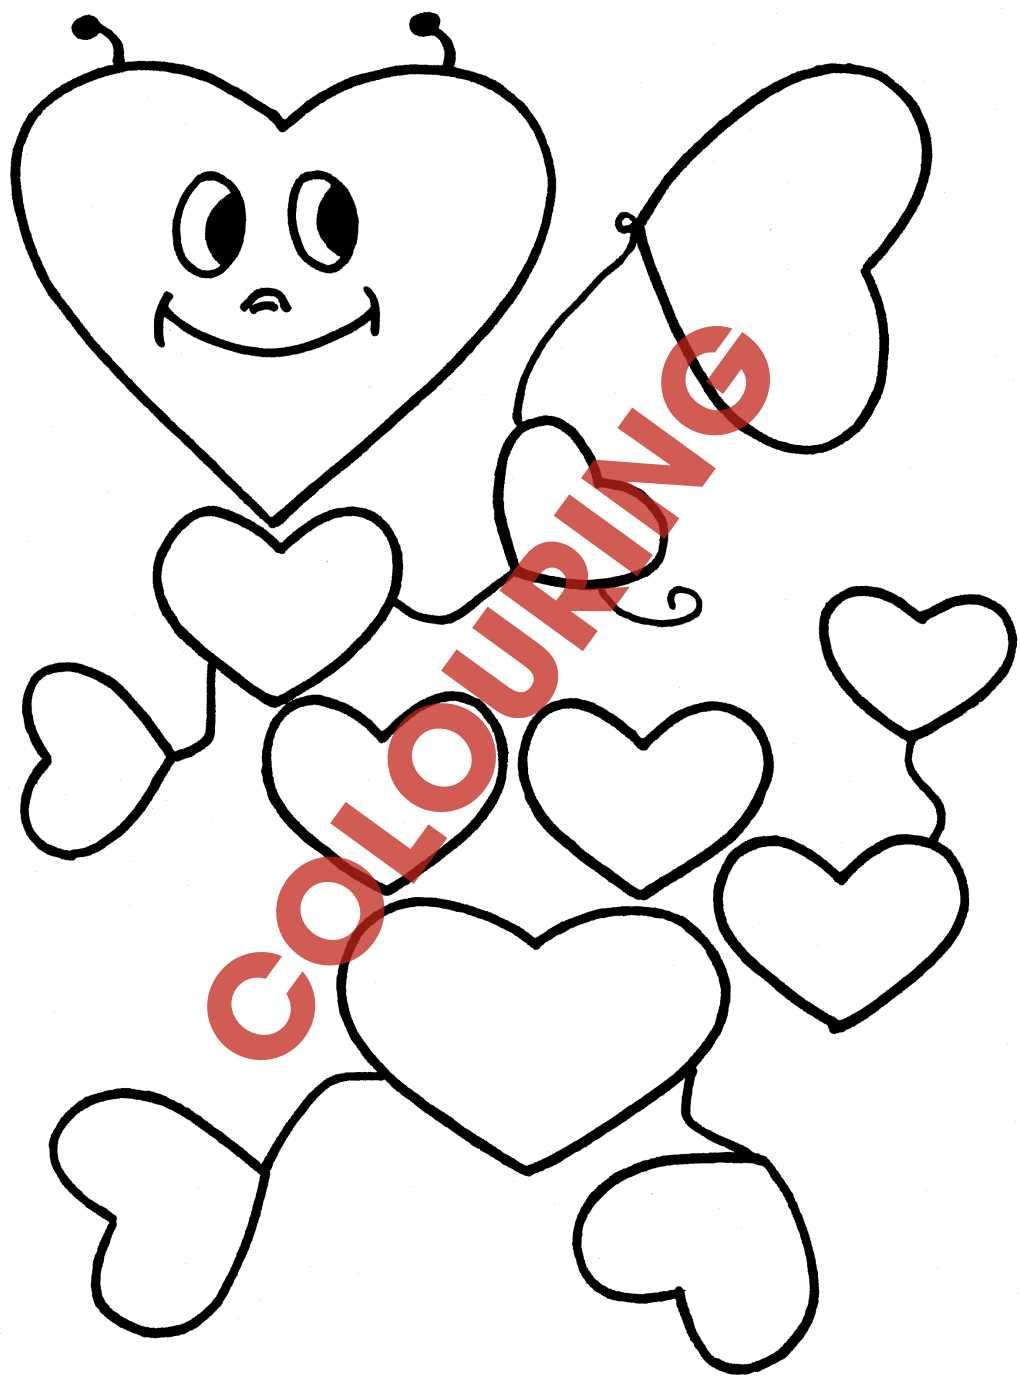

that we make ourselves.

We can always  each

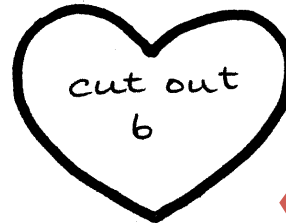

other as friends! 

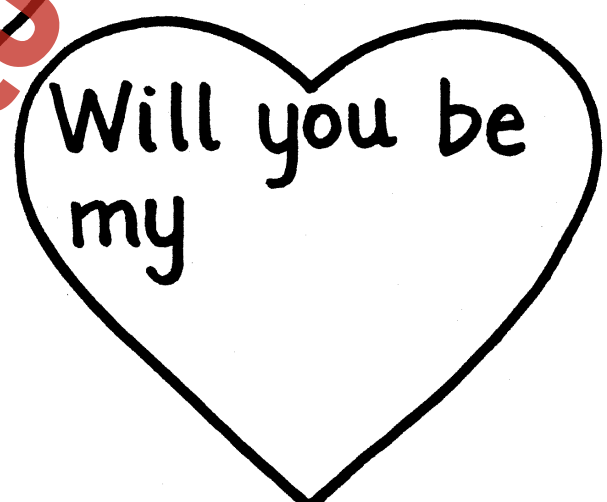

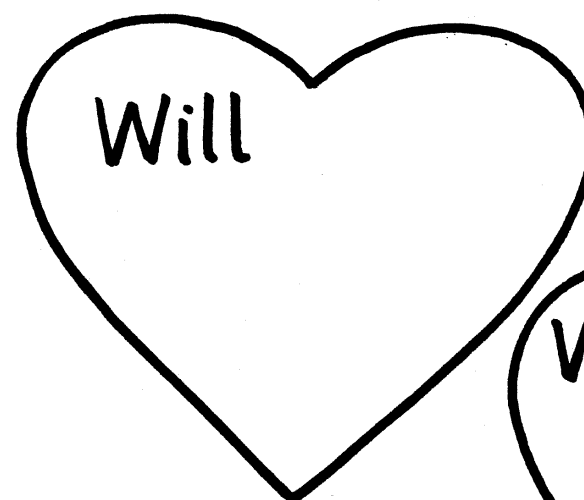

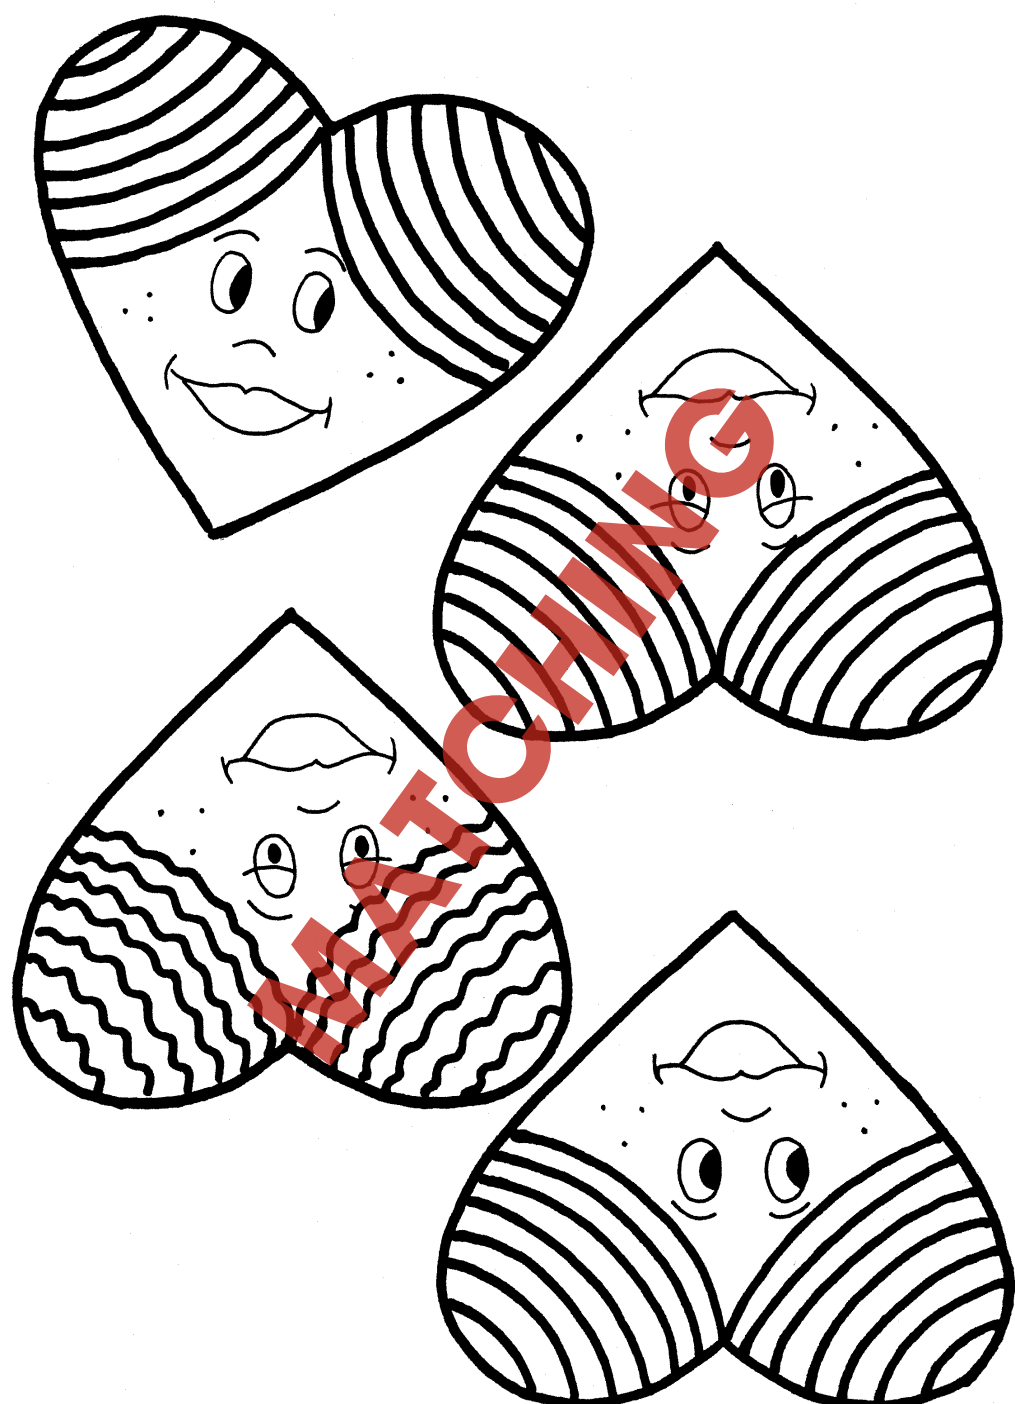

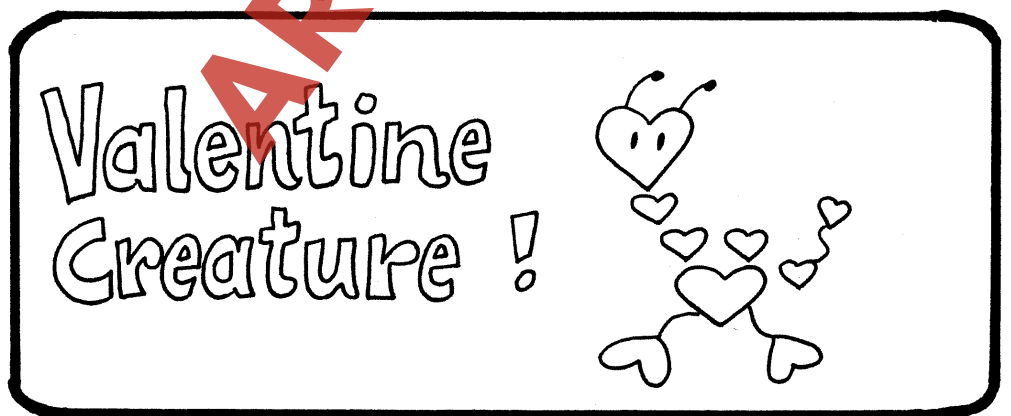

From your teacher, 

Heart Patterns

small illustration for label

SEQUENCING

 and   

 to share. They  
 want to share their  
 with you.

 says, "   
 our beautiful garden  
 Pick a flower you  
 like the best."

Draw a nice cake with sweet icing!

What would you  to share?

Draw a picture of what you would share!

### A Few More Ideas!

#### ① Upper Case Lower Case Match

Student Objective: to match the uppercase and lower case letters.

You'll need - red bristol, red construction paper, felt marker.

Use the cupid pattern on page 13. Photocopy 2 pages. Cut them out and glue onto another 8 1/2 x 11" sheet to make your master copy. Photocopy again and use this sheet with 2 patterns on it to duplicate others. Depending on the quality of your photocopy machine, you may have to outline the pattern with black marker.

Duplicate pattern onto red construction paper. Cut out and label with letters of the alphabet, uppercase. Make up to 26, and change them at the Learning Centers.

Use the heart pattern on page 12 to trace as many as you need. Cut them out.

- ② Make more Valentine Creatures for a Creative Activity. Provide children with hearts of various sizes to glue on paper or have them draw their own.

#### ③ Sets to Numerals

Student Objective: to match the sets with the numerals.

You'll need: white bristol, red construction paper, red felt marker.

Set up the pattern on page 4 the same as in ①.

Duplicate onto 5 construction paper.

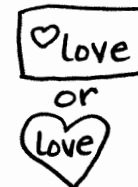

Cut out 10 cards, approx 4" x 5". Draw heart sets on them, from 1-10. Color with red felt marker.

#### ④ Valentine Word Recognition

Student Objective: to match the words that are the same.

You'll need the materials required in ① and ③ depending on selected pattern.

Print Valentine words on the pattern and the same ones on the hearts or cards.

Some words to use are  
 love, share, friends,  
 heart, valentine,  
 cupid, card, care,  
 happy, give.
