

Fun for Fall is designed for the beginning Kindergarten. The hands on activities are simple and are meant to deal with numbers 1-5. This may vary accordingly.

There are patterns and pictures for at least 10 hands on activities.

Fun for Fall also includes an illustration for Class Discussion, 3 bookmaking patterns and 6 certificates or awards!

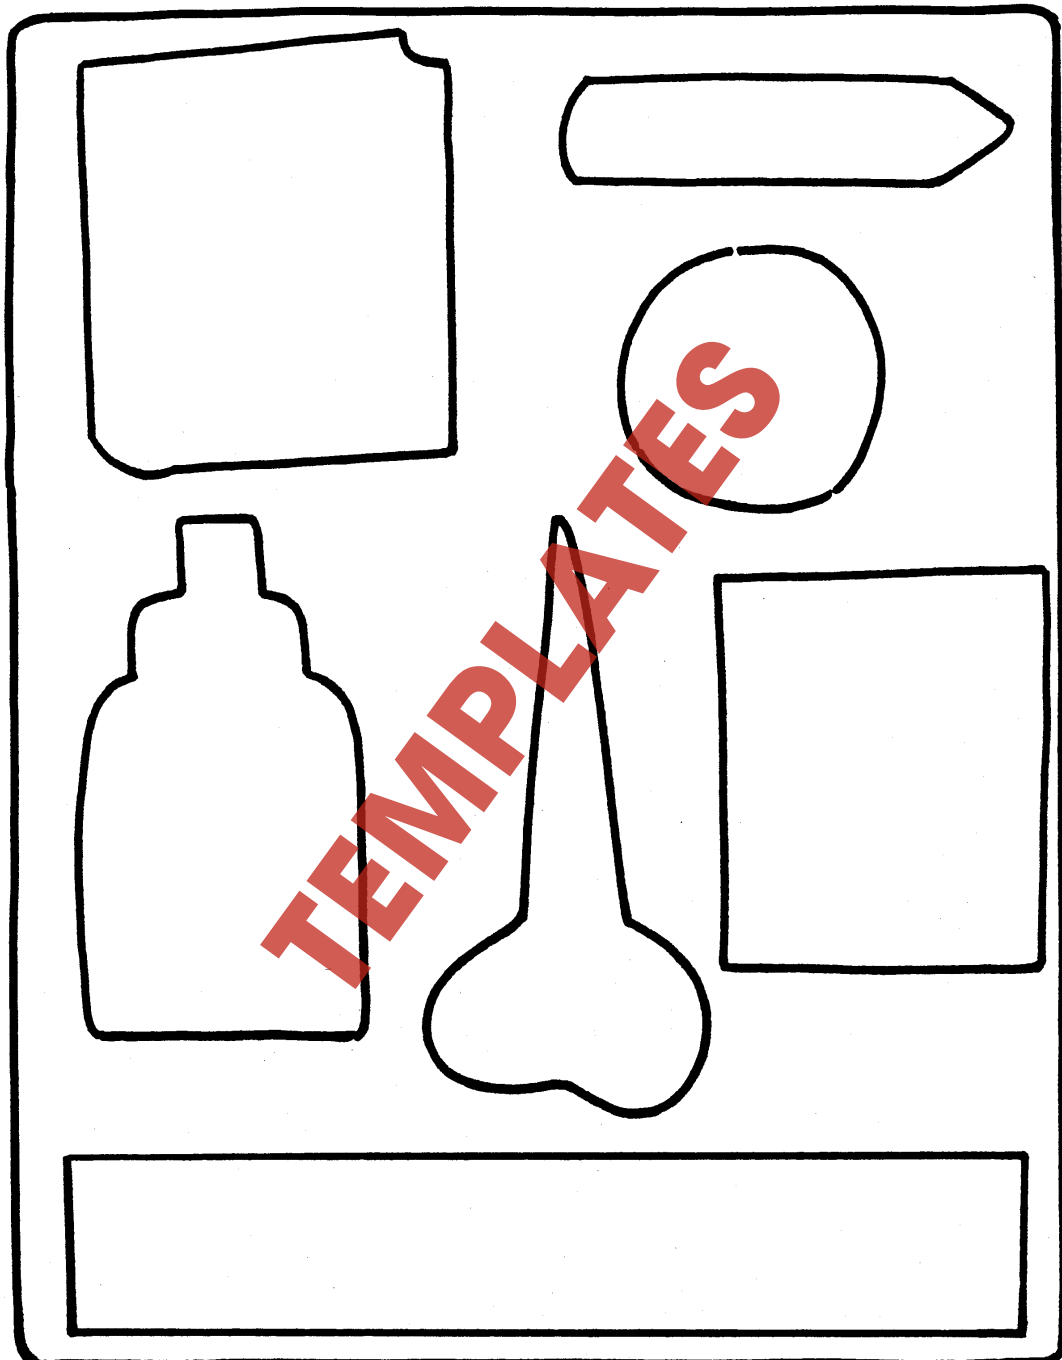

Fun for Fall will help you give a great introduction to Kindergarten!

Apple Faces- Visual Discrimination

School Bus Sets - Cut out the 6 frames of children. Mount on 2 1/4" rectangles of black construction paper.

Student Objective - to match the children sets with the numeral on the bus.
