WEEK TWO – DAY FOUR

Dear Parents: This worksheet reviews the sounds and concepts your child learned at school today. Take five to ten minutes to complete the activities on this page with your child. The activities reinforce today's lessons. Depending on your child's present ability, you may want to do these activities orally or you may want your child to do some or all of the writing. Encourage your child to do as much writing as he/she is able to do on his/her own.

Think of three words that have the 'ing' sound in 'flying'.

- _____
- _____
- _____

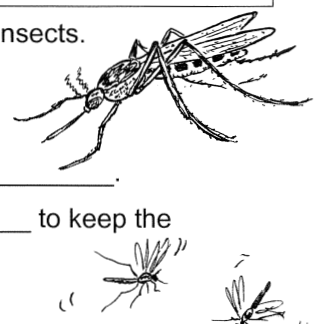

Print five words that rhyme with 'jumping'.

- _____
- _____
- _____
- _____
- _____

Fill in the blanks with the correct word.

harmful outdoors people diseases repellent

Dragonfly Fact Card

A dragonfly is an insect with six legs and two sets of long, thin body and big eyes.

Dragonflies are good, fast flyers. They can fly straight and can twist and turn while they are flying.

Dragonflies are our friends. They are helpful insects that eat mosquitoes and other harmful insects. Eating mosquitoes and other harmful insects helps people because mosquitoes bite people and carry diseases.

Grasshopper Fact Card

A grasshopper is an insect that moves by jumping with its long legs and can jump very high.

There are many kinds and colours of grasshoppers.

A grasshopper makes noise by rubbing its legs against each other. A grasshopper has five eyes on its head.

Grasshoppers are harmful insects. They are harmful insects because they eat the plants that people need.

weaver.

fabric from threads.

Arachne often boasted, "I am the best weaver in all the world!"

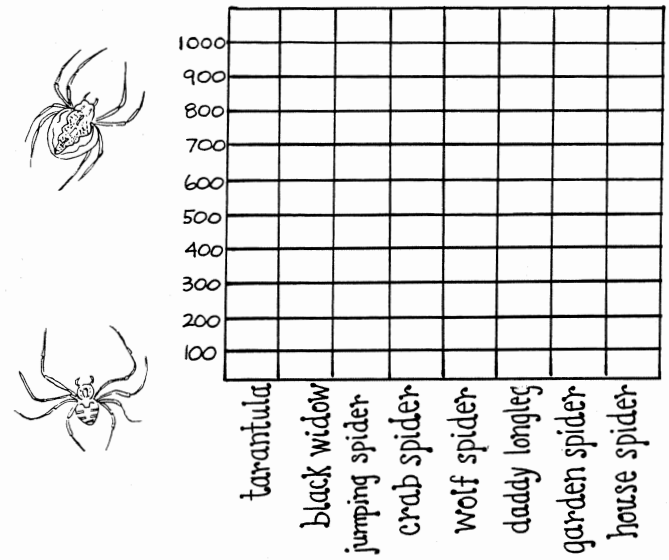

One day Arachne wanted to have a contest. She challenged the goddess Athena to a contest.

Athena knew that she could not win and she was jealous of Arachne's weaving.

Athena turned Arachne into a spider!
