

## Little Melvis Cleans Up

Student Objective: to match the sentence strips with the appropriate pictures.

You'll need 6, 2 ply bristol cards approx 20 x 15 cm. Colour and cut out illustrations and mount on bristol. Assemble accordion style.

Tape together cards, leaving a small space between each for easier folding. Fasten paper clips for sentence strips, which have been cut out and mounted on bristol.

Picture cards can also be used for a sequencing activity, without the sentence strip, for younger students.
