

Predicting Story Outcomes

LOOK at the **COVER, TITLE** and the **FIRST PARAGRAPH** of the book you are going to read.

Look for **CLUES** that help you **PREDICT** what will happen in this story.

COMPLETE the chart using the clues you found. Tell what you think is going to happen.

Where I looked	Clues	My predictions
Title		
Cover of book		
First paragraph		

Now read the book and see if your predictions were right.
