

# Fostering a Culture of Iteration

## 5 Steps to Iterating and Innovating

### 1. Dream

Think of a new method, idea or product. What is yours?

---

---

### 2. Brave

Stick with your Dream idea, even if others don't like it. What were others saying about your idea? How did you feel?

---

---

---

### 3. Share

Tell your friends and family about your Dream idea. Get their points of view. What new ideas did you get?

---

---

---

### 4. Stick to It

This is the hardest part. Keep trying new things to make your Dream Idea better. What is the biggest roadblock you had to overcome?

---

---

### 5. Review

Compare your first Dream Idea to your final idea. What part improved the most?
