Comprehension Quiz

Mrs. Gray lived in a tiny house just outside our town. She was a kind and happy old lady. But very few people ever went to visit her.

Mrs. Gray didn't mind because she had other visitors. She loved animals. She would feed any strays that came to her door.

Sometimes the strays would become her pets. People would laugh at her for helping so many strange animals.

Some people began to wonder how Mrs. Gray could feed so many animals. "How can she do it? She must have a lot of money", they said to themselves.

One night two robbers came to Mrs. Gray's house. It was dark and they crept inside very quietly. They couldn't see where they were going. The first robber fell over a furry lump. The second robber fell right on top of him!

All at once, there was a terrible smell! The robbers screamed "My eyes! My eyes!". Their eyes burned! They raced out of the house and ran down the road. They may be still running!
